## U. S. MEN HERE PLANNING ERECTION OF AERIAL BEACON

IT'LL TAKE ARMY  
TO GET DAWES IN  
KNEE PANTS—WILL

(Special To The News)  
NEW YORK, March 14. —  
Hurrah for Dawes as ambas-  
sador to Eng-  
land. I can  
see Charley  
at one of those  
afternoon tea  
orgies saying  
"If this is tea,  
somebody  
made it out of  
Chicago river  
water. Bring  
me a couple of  
sauces full of  
coffee."

Picture him  
with that old  
sweaty back pipe  
and his feet on  
the deck of a tell-  
ing King  
George. "Hell and Maria,  
George, it certainly seems good  
to get mixed up with some real  
blood after what I been a roas-  
ting with for four years in that  
senate."

They will have to call out the  
king's own Royal Horse Guards  
and Dublin Fusiliers to throw  
him down and get those knee  
breeches on him.

Yours, WILL.  
P. S.—He is going first to  
San Domingo to check up their  
finances. That ought to keep  
him busy for almost a quarter  
of an hour.

## PA NEW OBSERVES

It seems to Pa New that the new  
collection system recently placed in  
operation by the New Castle Credit  
Exchange is a good one. When a man  
is down with a wide margin, his  
investigation. If he has always paid  
his bills and has had some unavail-  
able hard luck, his former honesty  
makes his credit good.

In looking over the entire output  
of books published during the past  
week Pa New notes that fiction still  
leads the field by a wide margin.  
Though fiction always has been the  
leader there are a right smart number  
of poetry and drama tomes.

The young still want the "haw"  
music. Actual observation by one of  
the Pa New family who slipped the  
halter and went to a public dance  
recently. The slower and prettier  
tunes did not go over but when  
the drummer nearly caved in his  
hoop and the sax man blew out a reed  
the gang of young people applauded  
vigorously.

They are still sending for automo-  
bile licenses up at the New Castle Mo-  
tor club. A large majority of these  
people had licenses to drive last year.  
Whether its carelessness or whether  
they have got the family bus stored is  
not known.

The proposed Cleveland-Washing-  
ton mail route which in this territory  
is on the Pittsburgh and Ohio mail  
route will travel nearly over the Brad-  
ford field on the Youngstown road.  
Stops, with the new beacon light  
system, will be made at the Youngs-  
town road port.

Another thing one of the Pa New  
family learned Wednesday, when the  
government fliers were here was that  
they are kept constantly in touch  
by radio. Pa New listened to some  
of the special signals that are sent  
out. Messages even tell which side  
of a certain field is muddy or dry and  
just what time it rained and how  
many drops in the measuring bot-  
tle. It's great stuff.

Pa New saw a miniature airplane  
show himself out at the Bradford

## When I Was 21

Ray F. Hall, present manager of the  
New Castle Credit Exchange, was  
working here as a wholesale grocery  
salesman during his 21st year. Some-  
thing else happened. Mr. Hall got  
married during that year also.  
He later left the selling game and  
piled a series of other jobs was made  
manager of the newly established ex-  
change by the New Castle merchants.  
He is fond of hiking and woodcraft  
and is a Boy Scout troop master.

## Plan To Erect Plane Beacon West Of City

U. S. Department Of Com-  
merce Representatives  
Make Survey Here  
Wednesday

EXPECT BUILDING  
TO OCCUR SOON

Will Locate "Beacon Light"  
West Of Youngstown Road  
Airport

A huge airplane beacon  
light will be erected in the  
county some two miles west  
of the city of New Castle Air-  
port on the Youngstown road  
in the very near future, ac-  
cording to the statement of  
W. C. Miller, principal air-  
ways extension supervisor of  
the United States Department  
of Commerce.

The light will be situated, ac-  
cording to the preliminary survey made  
here Wednesday afternoon, a few  
miles west of the Bradford airport.  
The exact location of the beacon is  
not fixed, but according to the plans  
of the government as expressed by  
Mr. Miller, final surveys will start in  
two weeks and the beacon should be  
erected by May 1 this year.

This will serve as a night light for  
the new Cleveland-Washington air  
mail route which is being planned as  
an extension to the present Cleve-

## Seven Killed As Tornado Strikes

Seven Known Dead, Undeter-  
mined Number Injured  
Near Liberty, S. C.

ENTIRE FAMILY  
IS WIPE OUT

(International News Service)  
LIBERTY, S. C., March 14.—  
Seven persons were known to  
have been killed and an undeter-  
mined number injured in a tor-  
nado that struck near here last  
night.

Numerous houses were blown away,  
and other buildings were damaged.  
The dead were: Deputy Sheriff G.  
N. Garrett, his wife and two children,  
killed when their home fell and  
crushed them, and Mrs. Tillman Gar-  
rett and two of her children, whose  
lives were snuffed out in the collapse  
of a nearby house.

## A PROCLAMATION

By the Mayor of the City of New Castle.

The American Legion will soon celebrate the tenth anniversary of  
its organization. To those who nobly served their country in time  
of great peril it will be an anniversary of achievement for a great work  
has been performed by the Legion in the decade of peace that has fol-  
lowed the close of the World War. The American Legion was born out  
of the spirit of comradeship and mutual helpfulness that was so out-  
standing among those who fought side by side in the great struggle  
and it is today carrying on a program of public service that has no  
parallel in the nation's history.

The greatest work of the Legion has been to care for those who  
suffered most by the war. The best efforts of the organization have  
been exerted in the behalf of the disabled soldiers, the war orphans and  
those who were left widows by the war. Although much has been ac-  
complished for these war sufferers there is still a great deal to be done.  
The Legion has given assurance that this work will be continued as  
long as there is a need for it. In the field of community service the  
Legion has successfully conducted civic betterment projects in all parts  
of the country that have demonstrated in a concrete way the power of  
the Legion to serve in time of peace. The celebration of the Legion's  
tenth anniversary on March 15 and 16 will be the occasion for a re-  
newed effort to enroll more war veterans in this work. It is the pur-  
pose of the Legion to increase its membership in order that its work  
for the year may be broadened and extended. The people of this city  
are truly appreciative of the character of the work that is being done  
by the Legion and they believe every encouragement should be given for  
its continuance.

NOW, THEREFORE, I, Wm. H. Gillespie, Mayor of the City of  
New Castle, Pa., do hereby proclaim Friday, March 15, and Saturday,  
March 16, as the dates for the Tenth Anniversary Celebration of The  
American Legion and urge all citizens to aid the Legion in every pos-  
sible way to increase its membership strength. Every veteran should  
subscribe to the program of the organization by wearing the Legion  
button.

IT WITNESSETH WHEREOF, I have hereunto set my hand and  
caused the seal of the City of New Castle to be affixed. Done in the  
City of New Castle, Pa., this 14th day of March, in the year of our  
Lord, One Thousand Nine Hundred and Twenty-Nine.  
(Signed) WM. H. GILLESPIE,  
Mayor of New Castle, Pa.

## John D. Rockefeller Feels Fine At 89

(International News Service)  
ORMOND BEACH, Fla., March 14.—  
John D. Rockefeller, once the  
wealthiest man in the world, said to-  
day that he feels as young as he did  
twenty years ago and that, at the age of  
89, he is getting as much happiness  
out of life as he ever did.  
"My health is good," said Mr.  
Rockefeller. "My heart is all right. It  
gives me no trouble. I live moderate-  
ly and I chew my food thoroughly."

## Four-Sided Drive On Rebel Troops Is Federal Plan

Gen. Jose Escobar's Rebels  
Near Torreon Are Being  
Surrounded

FEDERALS TO HAVE  
25,000 IN ACTION

Rebels Reported To Have  
Anywhere From 2,000 To  
10,000 In Forces

(International News Service)  
A concerted four-sided fed-  
eral attack upon General Jose  
Escobar's rebel troops massed  
in defense of the Torreon  
front near the Durango-Coahuila  
border was expected to-  
day.

Secretary of War Plutarco  
Calles' plans call for simulta-  
neous offensives upon the  
rebels from the northeast,  
east, southwest and south.

The rebels have concentrated for  
the expected attack. Unless the rebels  
retreat into the state of Chihuahua,  
as it was reported here they plan  
to do, a decisive battle which will  
probably decide the outcome of the  
revolution may result.

25,000 Federals Ready.  
Upwards of 25,000 federal troops  
will participate in the combined at-  
tacks. Estimates of the strength of  
the rebels vary from 2,000 to more  
than 12,000.

General Juan Andreu Almazan,  
whose forces occupied Saltillo yester-  
day, is sweeping up northward in or-  
der to attack the rebels from the rear  
and cut off a possible retreat.

General Saturnino Cedillo is mov-  
ing westward with 4,000 troops. Ac-  
cording to reports received from Hic-  
oilito, General Cedillo captured be-  
tween three and four thousand rebels  
who were retreating from Saltillo.  
This report was not confirmed by the  
government spokesman.

## Fatalities End Speed Racing

No Further Attempts To Be  
Made To Break Records  
At Daytona

BIBLE AND TRAUB  
INSTANTLY KILLED

(International News Service)  
DAYTONA BEACH, Fla., Mar.  
14.—The tragic climax of the In-  
ternational speed tests, which re-  
sulted in death to Lee Bible, rac-  
ing driver, and Charles Traub, a  
cameraman, today plunged of-  
ficials of Daytona Beach into  
deepest gloom and brought this  
year's death-defying races to an  
abrupt close.

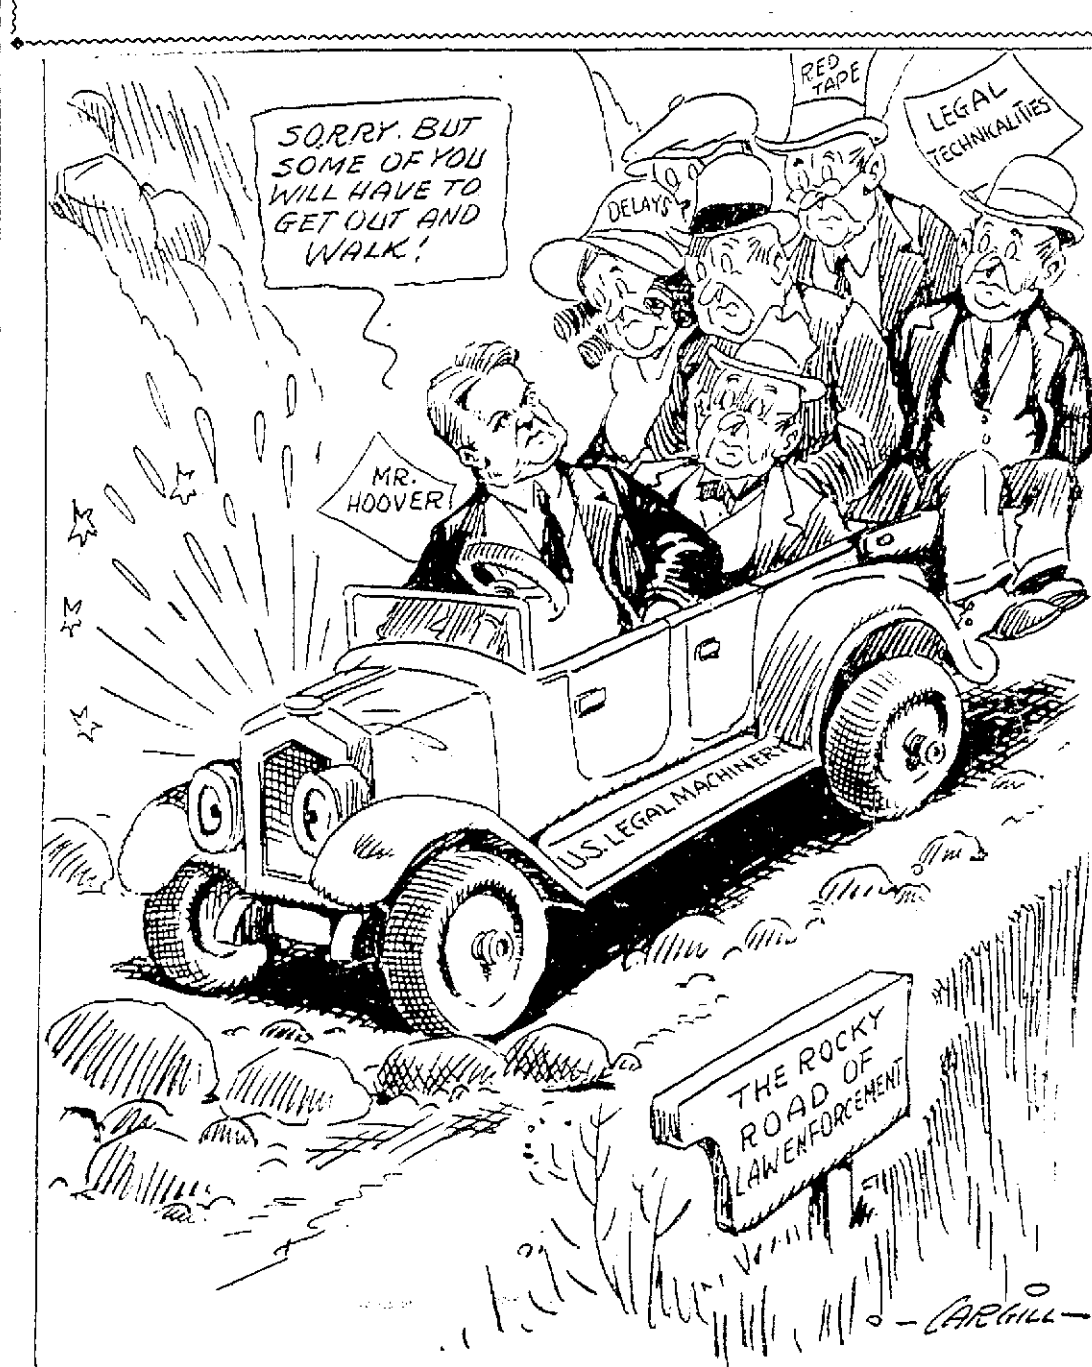

Bible, a mechanic in a Daytona  
beach garage, was killed yesterday  
afternoon, while thundering down the  
nine-mile ocean speedway in "the  
Triple", the seven-ton American car  
he was driving in an attempt to shat-  
ter the world's automobile speed re-  
cord set Monday at 231.3 miles an  
hour by Major H. O. D. Segrave of  
England. Bible's powerful machine  
skidded on a wet spot on the beach  
course, swerved violently, trapped into  
the air, struck a sand dune and rolled  
back onto the beach. He was travel-  
ing at 150 miles an hour.

## Over Two Billion In Income Taxes For Government

Two Per Cent Of American  
People Will Pay Uncle  
Same \$500,000,000  
Friday

TREASURY WATCHING  
MATTER CAREFULLY

Deficit Looms If Congress  
Does Not Pare Down On  
Some Appropriations

By ROBERT S. THORNBURGH  
International News Service Staff  
Correspondent  
WASHINGTON, March 14.—  
About two percent of the Ameri-  
can people will pay Uncle Sam  
more than \$500,000,000 tomorrow  
and at the same time file income  
tax returns representing a total  
payment of approximately \$2-  
100,000,000 to be scattered over  
the year.

Owing to the rapidly mounting cost  
of government during the past year,  
the probability of heavy appropria-  
tions at the extra session of congress  
and a heavy decline in receipts, the  
treasury is watching the March 15 re-  
turn anxiously.

Although the corporation tax was  
reduced 1-1/2 per cent experts said  
that an increasing yield from indi-  
vidual taxes, and larger corporate  
business in 1928, probably would push  
total payments at least as high as  
the \$515,689,000 collected last March.

From July 1 to March 12 income  
and corporation tax collections were  
\$1,116,000,000, a drop of \$20,000,000  
from the same period of the preceding  
year. Unless gains are made in the  
remaining 3-1/2 months the 1928-1929  
collection will be approximately \$2-  
150,000,000.

Warn of Deficit  
While treasury experts have main-  
tained consistently that there would  
be a small surplus it was admitted  
today that the margin of safety would  
be slight, and that there was an ac-  
tual danger of deficit if any material  
portion of the probable appropria-  
tions of the extra session of congress  
are expended before June 30.

Receipts so far this year amounted  
to \$2,364,699,000, a drop of \$197,000-  
000. All but \$45,000,000 of the de-  
cline was accounted for by the dif-

## Government Plane Ready To Leave

The government plane carrying the  
two representatives of the United  
States Department of Commerce  
which landed at the City of New Cas-

Wednesday prepared to take off this  
afternoon for Washington.

The two men, W. T. Miller and W.

just before two o'clock this afternoon  
and got the plane warmed for the  
take off.

If the weather broadcast is favor-

## Monessen Has Serious Fire

Twenty-Three Firemen Over-  
come By Smoke, One Se-  
riously Injured Early  
Today

FIRE DAMAGE IS  
ABOUT \$75,000

(International News Service)  
MONESSEN, Pa., March 14.—  
Twenty-three firemen were overcome  
by smoke, one other severely injured  
and loss of \$75,000 caused by fire  
which swept a three-story brick  
building occupied by the Green  
Stores Inc., and threatened the busi-  
ness district here early today.

Ollie Osborne, Charlevoix fireman,  
suffered severe injuries to his right  
leg when the Charlevoix truck skidded  
at the end of the Charlevoix-Mones-  
sen bridge, enroute to the fire, and crashed  
into a beam. He was taken home  
in an ambulance. The truck was  
badly damaged.

The fire started in the first floor  
of the structure and virtually wiped  
out the stock of the Green Stores,  
with a loss of \$35,000.

Masonic Lodge Damaged.  
On the second floor the McGinley  
Hat and Dress Shop, the offices of  
Dr. E. E. Palmer and G. C. Parquhar,  
dentists, and J. M. Bell, osteopath,  
were damaged by smoke and water.

The Hooper & Long Shoe store, ad-  
joining also suffered heavy damage.  
The Masonic lodge room on the  
third floor was slightly damaged.

Firemen were overcome by dense  
smoke issuing from the basement but  
resumed their posts after receiving  
medical attention. The smoke filled  
the streets and other business places

HARRISBURG, March 14.—The  
outlook for work in the legislature  
next week was brighter today as the  
result of the action of the house late  
yesterday in passing 89 bills on first  
reading before adjourning for the  
week.

The sessions this week were lan-

LONG FIGHT IS  
NOW AT FINISH

Hoover Follows Suggestion  
From Andrew W. Mellon  
In Drastic Announce-  
ment

By GEORGE R. HOLMES  
International News Service Staff

WASHINGTON, March 14.—  
President Hoover today or-  
dered that all future tax re-  
funds from the Treasury in  
excess of \$20,000 be thrown  
open to public inspection.

Thus by a stroke of his pen, Mr.  
Hoover accomplished that which a  
coalition of Democrats and insurgent  
Republicans in Congress have unsuc-  
cessfully fought for in recent sess-  
ions of Congress.

The announcement from the White  
House stated that the President's ac-

Secretary of the Treasury Mellon,  
who has heretofore been accus-

## Mellon Gives Sound Advice

American Investing Public  
Given Good Sound Advice  
By Secretary Mellon

PRONOUNCEMENT  
CAUSES SURPRISE

(International News Service)  
WASHINGTON, March 14.—An-  
drew W. Mellon gave the American  
investing public some advice today.

"Because of the comparatively low  
price of bonds, due to interest rates  
remaining relatively high, now is the  
time for prudent investors to buy  
bonds," said the secretary of the treas-  
ury.

"Some stocks are good investments,  
but the quotations on others are too  
high. These good stocks are all  
right, but bonds are better at the  
present time for the average invest-  
or."

The Mellon pronouncement occa-  
sioned considerable surprise here,  
for very rarely does a secretary of the  
treasury volunteer such advice to the  
investing public in such an off-hand  
way, particularly during market  
hours. The secretary's remarks were  
made to newspaper correspondents  
during a regular press interview.

They were interpreted as a part of  
the general effort of the federal re-  
serve board to decrease the enormous  
amount of public money now flowing  
into stock market speculation. The  
first step in this general campaign  
was taken a few weeks ago when the  
reserve board issued a general warn-  
ing to its member banks against  
throwing so much money into Wall  
street.

## Arthur Mometer

The coal man heaves a lusty sigh.  
His eyes are filled with tears. He dis-  
tillers much from you and I, our  
throats are full of cheers. He sees  
the wintry weather pass, when coal  
is selling fast, the days of zero and the  
like are very nearly past. His wags  
do not move each day with tons of  
stuff to burn, and as he sees them in  
the yard he cannot help but yearn,  
for other days when frosty morn-  
sent coal piles scuttling down, and so  
he sighs for icy nights, upon his brow  
a frown. But you and I are filled with  
hope and likewise mirth and glee, the  
coal bills now will take a slump, the  
weather's sixty-three.

## Pennsy Women's Aid Has Meeting

Members From Warren, Youngstown And Other Ohio Cities Attend

The Women's Aid of the E. and A. Division, Pennsylvania railroad, held its March meeting in the parlors of the Y. W. C. A. recently. Mrs. F. J. Perry, and the wives of the employees of the division trainmaster's department were in charge of arrangements.

Mrs. Raymond Spack presided over the business session which was held. She called attention to the Lake division's Women's Aid luncheon to be held at Hotel Statler, Cleveland, on Wednesday, June 5, and in which Mrs. P. L. Grove, wife of the Lake division's superintendent, will be in charge.

The talk during the afternoon was made by Thomas J. Cunningham of the Y. W. C. A. who spoke on the history of flowers. He also gave a demonstration on how flowers should be arranged in bowls. Mrs. Lee and Mrs. Moore, Youngstown, also sang songs and recited. They were accompanied at the piano by Mr. Dixon of Youngstown.

At the conclusion of the meeting luncheon was served to those present, coming from distances as far as Niles, Youngstown and Warren, O. The April meeting will take place at the Y. W. C. A. here and will be the work of Mrs. C. W. Van Nort, wife of the division engineer.

### POLICE INVESTIGATE

#### DOG BITTING CASE

The police were called last night by a man named Nygard and residing at 906 East Washington street, who stated that he had been severely bitten on the leg by a dog and had required the services of a physician. Officer Thompson investigated and found that the dog belonged to Butler avenue and ordered the dog tied up pending the outcome of the injury of Mr. Nygard.

## BEWARE THE COUGH FROM COLDS THAT HANG ON

Coughs from colds may lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a medical discovery with two-fold action: it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs creosote is recognized by high medical authorities as one of the greatest healing agencies for coughs from colds and bronchial irritations. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the inflamed membranes and stop the irritation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.

Creomulsion is guaranteed satisfactory in the treatment of coughs from colds, bronchitis and minor forms of bronchial irritations, and is excellent for building up the system after colds or flu. Money refunded if not relieved after taking according to directions. Ask your druggist. (adv.)

## Story of a Salesman's Success

A salesman, 38 years of age, came to one of our offices four years ago to take up a new line of business—a line against which he had been prejudiced, but which he knew carried great rewards for the successful. At the time he changed positions he was making \$4,500 a year. He made nearly double that amount his first year in the business and today is the manager of one of our successful agencies with compensation already nearly three times as much as he had made before he started the new work.

We are enlarging our organization, to prepare for a large expansion of business during the next few years. We have similar openings for two good men with successful records. Under our methods of training, our advanced lead system and the strong backing of continuous National Advertising, failure is well-nigh impossible to the man who is willing to follow our instructions and pay the price in hard work. No business is growing faster or offers more unlimited opportunities than does life insurance at the present time.

Only applicants of unquestionable integrity who are desirous of bettering their present position—men with high grade references—will be considered. If your letter leads us to believe that a personal conference will be mutually beneficial an appointment will be arranged. Address by letter only.

Townships should feel obligated to the post office department to keep their roads up so that the carriers can get through, satisfactorily.

Again another M. U. F. campaign is to be announced in behalf of the boys of the Senior High school. It is a real enterprise and one which is deserving of the whole-hearted support of every boy at the Senior High. Young Pa New was once in the Senior High and one year took advantage of the M. U. F. He can knowingly say it is something that betters one's viewpoint on life.

Lawrence county boys should, and probably will, take heed to the warning given by Capt. Melvin L. Craig, in charge of recruits of the C. M. T. C. camps this coming summer. Those who send their applications in early will be the ones who will get consideration.

Pa New has another sign to offer that spring is here—it is much more difficult to find a parking space for the car at night than it has been for weeks.

Tis whispered to Pa New that one of the reasons for the installation of the automatic fare boxes on the street cars is the fact that some of our esteemed citizens had been in the habit of using pennies for street car tokens in the old fare boxes. In the new boxes nothing but tokens and dimes can be used.

Pa New is going to give the school children of New Castle a little hint. There are but 58 more school days left of the present term.

Mr. Clark wanted Mr. Fleming to tell him where he kept a lookout stationed along the Youngstown road to watch for liquor transfers coming into the city. Mr. Fleming just smiled broadly and refused to commit himself.

New Castle groceryman states that the producers of New Castle do not cooperate with them and advertise their products. There's more truth than poetry in this. If New Castle producers want New Castle people to use their products, they should advertise what they are making. New Castle people will be glad to buy them if they do. But they must cooperate.

Legion exhibits in various display windows along the downtown section attracted all passersby this morning. So interestingly are they arranged that everyone who happens near has an itch to stop and look. The displays focused attention back upon the memories that marked the World War. Many a man who stopped and looked was only taking another glance at equipment he knew as well. Machine guns, rifles, ammunition, helmets and other instruments of war. And by the way, ex-service men have you joined the American Legion?

Auto driving last night was exceedingly difficult, because of the heavy fog that had settled over the highways, drivers report.

Pa New observes many New Castle citizens looking over the war souvenirs in the windows of the downtown district. "Bill" Ferver, decorated his own window with a camp scene, while the Offutt Co. and P. & O. contributed windows to the Legion for the occasion.

Firemen at the Central station this morning, listening to the radio and taking things easy. None of them were out fighting grass fires, or on the alert for an alarm of such nature.

Pa New believes that some earnest young man should step forward into the spot light and tell just what the ideal girl is. One of the Pa New family suggests that she be not "pudorably," but down right: good looking.

The announcement that there is to be a meeting of automobile salesmen this evening reveals the fact that there are about 100 engaged in that profession in the city. As this meeting is for the local dealers' association, they are probably well over this number of auto salesmen in the city.

Thus far, Pa New has not seen or heard of any of the county's agriculturalists doing any plowing. In days gone by, a farmer reports, considerable plowing was done again this time of the year.

By actual count of one of the citizens, just four automobiles ran through a certain street light in 20 minutes. Three of the cars were driven by ladies.

ference in repayments from railroads over of reconstruction borrowing. Customs receipts were slightly greater than last year and taxes only a little less.

Governmental costs for the 8-4 months were \$2,692,149,000, approximately \$164,000,000 greater than in the preceding period. Virtually every detail of expenditure exceeding interest payments was larger. Tax refunds amounted to \$140,866,000, an increase of nearly \$50,000,000.

The decrease today totalled \$427,500,000 compared to \$65,961,000 a year ago. Last year's surplus was \$398,828,000. Without considering almost certain cost increases for June 30, there would be a \$39,000,000 surplus at the present rate of receipts and expenditures.

refunds, and who because of that attitude have been an incessant target for congressional sharpshooting in recent sessions.

The reform was accomplished by means of an executive order, which specifically directed that the public be permitted to know the reasons for income or profits, excess profits, estate or gift taxes in excess of the arbitrary figure of \$20,000.

In proposing the reform, Secretary Mellon wrote the President: "The Congress adopted as an amendment to the first deficiency appropriation act a provision which, as a matter of legal interpretation, would require no material change in the procedure or practices of the bureau of internal revenue. However, on the assumption that this provision reflects an unexpressed congressional policy, and in order that the public generally may know that there is nothing which the Treasury desires to hide... I am recommending your approval of the proposal submitted."

While today's critics do not go as far as Mellon's critics in Congress would like, it nevertheless does meet a great many of the objections they have raised to the Treasury's policy of secrecy for these tax refunds.

The fight for publicity and open hearings on these refunds was left in the Senate in the closing days of the last Congress by Senators McKellar (D.) of Tennessee, Couzens (R.) of Michigan, supported by Norris (R.) of Nebraska and others of the so-called progressive bloc on both sides of the chamber.

In a savage attack on Mellon on March 2, during which he served notice he would vote against his confirmation of President Hoover, he submitted his nomination. Senator McKellar declared that "during the eight years of Secretary Mellon's administration of the Treasury more than \$3,500,000,000 has been paid out under the secret refund system."

The start of the attack just before inauguration was President Coolidge's submission of a deficiency bill which included an item of \$75,000,000 for tax refunds.

The United States Steel Corporation alone was to receive more than \$50,000,000 in repayments, credit, abatements and refunds, McKellar said. Other large corporations have regularly received large refunds.

### Funeral Services for the late George G. Johnson, prominent employee of the Pennsylvania Railroad company and Spanish American war veteran whose death occurred at Cleveland, O., took place Wednesday afternoon at 2:30 from the home of William Mulcahy at 411 Florence avenue.

Rev. S. C. Copeland, pastor of the Third United Presbyterian church officiated.

Full military honors were accorded in Oak Park cemetery by the Sons of Veterans with Gracie VanHorn, F. R. Kewenaw and M. J. Howard in charge. The firing squad was composed of Captain Frank Hill, Captain W. D. Parks, Clarence Grannis, George Foster, Fred Warner was the bugler.

The pallbearers were railroad men. They were James Blews, M. C. Frost, W. W. Wald, H. D. Blanchard, W. G. Sapper and A. W. Scott.

The services were largely attended by relatives and railroad associates. Many beautiful flowers banked the casket, expressing sympathy and esteem.

### Lavinia Bell Evans.

Lavinia Bell Evans, aged 17 years, daughter of Mr. and Mrs. P. G. Evans died at the family home at Darlington Wednesday afternoon after a short illness of 12 hours.

The exact cause of the young woman's death is not exactly known as she had been in her usual health when she was taken suddenly ill.

She was born at Delaware, O., moving to Darlington with her parents about two years ago. She was a student of the Darlington school and was a girl of pleasing personality and kind relatives.

Besides her parents she leaves two brothers, James and Leonard and two sisters, Margaret and Daisy.

Funeral services will be conducted this evening at 8 o'clock from the residence with Rev. Henry of the Mt. Pleasant Presbyterian church in charge. The funeral party will leave Friday morning at 8 o'clock for Cleveland, O., where burial will be made in West Park cemetery in that city.

### Funeral services for Eugene Elmer Thompson of Darlington, took place Thursday afternoon at 2:30 with Rev. Henry, pastor of the church officiating.

The pallbearers were friends. Burial was made in Secorder cemetery.

### Mrs. Elizabeth Crocker.

Mrs. Elizabeth Crocker, aged 72 years, widow of E. C. Crocker, passed away at her home on the Pulaski road, R. D. 3, Thursday at 10 a. m. following an illness of pneumonia.

Mrs. Crocker was born in New Castle December 1, 1857 a daughter of Mr. and Mrs. William Stevens. She had spent all her life in this community. She was a member of the Methodist church.

The following children survive: Mrs. Festus Flynn, Mrs. W. J. Thompson, Mrs. Frank Bartberger, Miss Pansy Crocker and C. E. Crocker. She also leaves one sister, Mrs. Harriet Keizer of New Castle.

Funeral services will take place on Saturday, March 16, at 2 p. m. from the family residence with Rev. S. R. Matland officiating. Burial will be made in King's Chapel cemetery.

## PLENTY OF WORK FOR LEGISLATORS AT NEXT SESSION

(Continued From Page One)

With such a small majority present no attempt was made to act finally on the four bills which were on the third reading and final passage calendar.

### Important Bills Ready

However, the heavy first reading action, yesterday will help make up the largest final passage calendar of the year next Tuesday. The bills will be on second reading Monday night and prepared for third reading and final passage the following day.

The four bills which were on the house calendar but failed to be given final passage will find places on the final reading calendar Monday night. The administration deficiency bill carrying approximately \$320,000 was one of the four.

### To Close Hopper

Indications were today that next week would see more life in the sessions which struggled along to adjournment this week without producing any important results, save the passage of the new motor vehicle code.

Next week the house is expected to fix a date for the final introduction of bills. To date house bills totaling about 1,600 and scores of these have not been acted upon by committees. The rush this session has been so great that members are anxious to have the flood out off at an early date so that difficulties may be avoided in the closing days of the session, just a month away.

Very little important legislation remains to be introduced. Most of the administration bills are in committee or on their way through the two houses.

A new gasoline bill or amendments to one of the bills now in the legislature is looked for shortly from administrative circles and when a final draft is made of the gasoline bills the house and senate will have about all of the measures they will be expected to act upon this year.

Supreme Court Justices Are Invited And Plan To Attend

At the annual banquet of the Lawrence County Bar Association, which will be held on Friday evening, March 22, a number of distinguished guests will be present.

An invitation has been extended to the justices of the state supreme court, and already two of them, Justice Emory A. Walling and Justice John W. Kephart have accepted.

Members of the courts of adjoining counties have also been invited and the affair is expected to be one that will stand out in the list of such affairs held by the Bar Association in the past 25 years.

### COMPLAINTS ABOUT BOYS JUMPING CARS

Theodore M. Ruel of New Castle, R. D. No. 8, reported to the police last night that as he was going north on Atlantic avenue and out into West Washington street, that one of a number of boys whose name he did not secure, went to hop on his car and shipped and fell against it.

He was driving the boy to police station to report the case, when at the public square, the boy jumped off and ran away. He stated that this was a frequent and dangerous practice on the part of boys at that point. The police will investigate.

## RABBI MENKES SPEAKS TO JEWISH COUNCIL

New Castle Section National Council of Jewish Women had their regular meeting for members and members of other clubs Wednesday afternoon in Temple Israel.

Mrs. William Cosel presided in the absence of the president and prayer was read by Mrs. Monte Levine.

During the business session Mrs. Jack Gerson and Mrs. M. Friedman were welcomed as new members.

It was voted to help pay for the flag presented to the George Washington Junior High school by the County Federation. The council donated \$20, and Mrs. Herskovitz \$5 for Passover Supplies to the Hebrew Immigrant aid.

Rabbi J. B. Menkes of Temple Israel as speaker of the afternoon, spoke in an interesting manner on "Changing Concepts of Marriage." He explained in a clear and concise manner the biological foundation of family life and declared that modern deviations such as trial marriages were a deviation instead of evolution. The changed and emancipated position of modern woman, new theories of education, change in home life, and the selfish individualism of today were explained as primary forces tending to the change in the institution of marriage as we have inherited it.

Council members were asked to participate in the display of early American glass to take place in the Y. W. C. A. April 18, under the auspices of the Lawrence County Federation of Women's Clubs. Mrs. B. Kline was appointed to represent the council.

Plans were made for Council Sabbath to take place Friday evening, March 22 at Temple Israel.

The last of a series of Mothercraft meetings will take place Wednesday April 10, at the Temple when Dr. John Lawther of Westminster College will speak on "Adult Psychology."

A social hour followed, and the hostesses were Mrs. Monte Levine, Mrs. Charles Levine, Mrs. Jack Kalkin, Mrs. Jack Levine, and Mrs. Meyer Levine.

**Dorcas Class Meeting.**  
The Dorcas class of the Epworth Methodist church met at the home of Mrs. Paul Porten, 235 West Moody avenue, for its regular monthly meeting, recently. Associate hostesses were Mrs. Elmer Tinsman, Mrs. Jack Dunlap and Mrs. Myrtle Pitzer.

Mrs. Blumquist was in charge of the program. First she had everyone tell an Irish story, then Miss Jane Ryan and Miss Jane Campbell sang an Irish song and did an Irish jig. Miss Margaret Mullen accompanied at the piano.

Following this came a handkerchief shower for Mrs. Edward Rich, who is leaving for Gary, Ind., to take up her residence there. Mrs. D. T. McConaghy made the presentation speech in original poem of her own in making the presentation.

Games provided the enjoyment for the balance of the evening, and several prizes were given to the winners.

On April 9 the class will hold its annual tureen dinner at the church, in the place of the usual monthly meeting.

**E. O. W. Club.**  
Mrs. H. W. Smith was a special guest when the E. O. W. Club members met in the home of Mrs. Joseph Cochran, Hillcrest avenue, Wednesday evening. Two tables of 500 were in play during the evening.

Mrs. Carl Gaston, and Mrs. Thomas Maloney assisted the hostess in serving dainty refreshments.

**MANY WOMEN ATTEND B. P. W. SILVER "TEA"**

Eighty guests and members attended the tea given by the Business and Professional Women's club at the Castle on Wednesday afternoon. The tea table decorated with yellow spring flowers and candles was presided over by Mrs. T. W. Phillips of the Lawrence County Federation of Women's clubs and Mrs. W. A. Pond of the Woman's club. Miss Cora Ritchie, Miss Mary Browne and Miss Mary Wilson acted as hostesses and the aids were members of the B. P. W. club.

Miss Lulu Pillsbury, general secretary of the Y. W. C. A. in Youngstown and delegates to the Washington Conference on the "Cause and Cure of War" gave an interesting talk on the conference. Miss Pillsbury mentioned the ten participating women's organizations which had brought about the conference. Some of the interesting personalities of the conference were Mrs. Carrie Chapman Catt, the presiding officer; Dr. Harry Emerson Fosdick, Dr. James F. Shotwell and Edward C. Lindemann, social worker. Such matters as the use of poison gas, aviation in warfare, the cruiser bill were all discussed. The signing of the Kellogg Peace pact during the conference marked a dramatic point. The statement was made that now there is only one cause for war; that a nation must be in violation of her agreement not to do so.

Miss Ruth Drescher, accompanied by Miss Helen Ewing and Mrs. Clinton Keary accompanied by Mrs. Merle Ingham entertained with songs.

The tea was given to mark National Business Women's Week.

**Friendship Club.**  
Miss Antoinette Barabant was hostess to the members of the Friendship club Wednesday evening. There was a good attendance of members. The hours were spent in fancy work, music and chat. The prize was won by Mrs. Tony Pero. Miss Barabant was the recipient of a gift from the club members.

At a seasonable hour dainty refreshments were served by Miss Barabant assisted by Mrs. Fred MacLarella and Mrs. Bery. The luncheon table was decorated in St. Patrick's colors, green and white with tall tapers.

In one week the club will be entertained at the home of Mrs. Tony Pero of Butler avenue.

**Entertains For Rulers.**  
Ralph M. Campbell, president of the past exalted rulers' association of the New Castle Lodge No. 69, B. P. O. E., entertained the past exalted rulers and the elective officers of the lodge at a dinner held in the private dining room at the Elks home on Wednesday evening. There were 28 officers and past exalted rulers present. After the dinner a business meeting occurred, presided over by President Campbell. At the close of this, Mr. Campbell's guests gave him a rising vote of thanks for his splendid hospitality.

**Dot and Dash Club.**  
Miss Mae Ellen Fulkerson was hostess to members of the Dot and Dash club in her home on Pine street, Wednesday evening. Following the business session, music and social chat were pastimes.

Dainty refreshments were served by the hostess' mother, Mrs. Fred Fulkerson, and sister, Miss Olive Fulkerson. Novel St. Patrick's suggestions were used in decoration.

Miss Charlotte Gibson, Leisure avenue, will entertain in three weeks.

**R. T. Club.**  
Mrs. Maurice Boyd and Dr. E. L. Vincent were prize winners at bridge when members of the R. T. club met Wednesday evening in the home of Mr. and Mrs. Earl Reeves, Garfield avenue. Two tables were in play during the evening.

Later delicious refreshments were served by the hostess.

In three weeks Mr. and Mrs. Maurice Boyd, Garfield avenue, will entertain.

**WIMODASIS LUNCHEON EVENT OF WEDNESDAY**  
Clever decoration in St. Patrick's colors were used for the March luncheon of the Wimodasis members Wednesday at 1 o'clock in the Cathedral. Hostesses for the day were Mrs. G. D. Hildebrand and Mrs. P. G. Beer. Covers were arranged for about 100.

Following the business session, Mrs. V. C. Wagner had charge of the program. Vocal selections were beautifully rendered by Miss Blodwin Lewis, accompanied by Mrs. D. Duff Scott, and piano solos were presented by Miss Dorothy Sonneborn, and Miss Emily Parker.

**Evening Party.**  
W. M. Logue, superintendent of the Prudential Life Insurance company of this district, and wife entertained in their home on Park avenue Wednesday evening for the assistant superintendents and their wives. The evening was enjoyably spent with cards and music.

Easter suggestions were used in decorations and dainty refreshments were served by the hostess.

The guests included Mr. and Mrs. C. C. Schell, Mr. and Mrs. E. E. Keefe and Mr. and Mrs. E. F. Conlon, and son Richard and Harold Logue.

**Modernistic Club.**  
Covers were laid for 12 when members of the Modernistic club enjoyed a tureen dinner in the home of Mrs. Kenneth McCaslin, Laurel boulevard, Wednesday evening. St. Patrick's favors were used. Adds were Miss Mildred Mottinger, Miss Lucille Wilmer, Miss Eleanor McConnell and Mrs. Irene Lowman.

Dancing and chat were after dinner.

Why the Barber?  
The Bootleg Hearse.  
Worship, a Necessity.  
G. M. Buys Opel.  
By ARTHUR G. BRISBANE  
(Copyright, 1929, King Features  
Synd., Inc.)

The Rev. Mr. Palmer, Unitarian of Lynn, Mass., reaches the front page by saying that Herbert Hoover, kissing the Bible on a carefully selected text at his inauguration, had "attempted to connect Bible idolatry with prohibition enforcement."

The good and reverend gentleman even goes into his criticism of President Hoover "an ignorant itinerant barber about to be electrocuted for the murder of a girl."

President Hoover probably will ask "Why drag in the barber?" and pass on.

He will thank the reverend gentleman for reminding him that, no matter what you do, you will be criticized.

To Mr. Ring Lardner's statement, "You can bootleg liquor anywhere except in the five and ten cent stores," you may add that you can find bootleg liquor almost anywhere, in flying machines, prisons, automobiles, even in submarines and baby carriages. Many conveyances are used for transporting it.

Bootleggers in South Philadelphia stole a hearse from a hospital yard, intending to give their whisky a respectful, mournful ride to its destination, in a large coffin. To their horror, after they had stolen the hearse at night, they found in the morning that it contained the body of Catherine Mashinsky, four months old, and abandoned the hearse as "unlucky."

What Will Rogers calls the "Five and ten prohibition law," five years in jail and \$10,000 fine went into effect yesterday in Chicago and the first man caught in the Jones net was Carl Mahne, a policeman. The Chicago federal district attorney expects 250 indictments per month.

Lenin, long dead, smiling and still life like, thanks to skillful embalming, lies in his "shrine" outside the Moscow Kremlin.

Thousands of communists pass, gazing in reverent awe almost worshipping the corpse of their leader.

Believing, as Lenin did, that they have no belief in God, their attitude at the Lenin shrine proves that even those that try not to believe must have something to worship.

As Voltaire said, "If there were no god, it would be necessary to invent one."

Impressive figures prove that the radio has come to stay with a vengeance. During 1928 retail sales of radio apparatus totaled \$70,877,517.

The extent to which radio has transformed human life and enlarged its possibilities is understood as little as the importance of printing was understood when Gutenberg began setting up his movable type.

Printing opened all the knowledge of the world to everybody that could read.

Radio offers the speeches, music and information of the world to everybody able to listen.

Berlin reports an agreement by which General Motors for \$30,000,000 acquires 76 per cent of Opel-Motors, biggest German automobile concern.

The presence of Alfred P. Sloan, Jr., in Europe makes the purchase probable. Opel has a capacity of 300 automobiles and 5,000 bicycles daily, and will doubtless hereafter produce Cleveford cars.

The new immigration law will bring in more Englishmen and Italians, and diminish the number of German, Scandinavian and Irish immigrants. The English and the Italians will be welcome. The country needs men with energy to move.

Cutting down the quota of Germans, Scandinavians and Irish is a misfortune. What would it mean to shut out such a German as Carl Schurz, such a Scandinavian as Col. Lindbergh, such an Irishman as Gen. Phil Sheridan?

Factory workers in Russian cities pass resolution like this: "Shame on Trotsky for selling his political conscience to the capitalist class."

Trotsky, kicked out of Russia and in need of money wrote what he thought about Russia, which, without knowing it, is already turning in the direction of capitalism.

When Russian workers have been "free" a little longer they will know that freedom of speech is the first essential of real freedom. Tyranny, under a dictatorship or a soviet government, fears free speech more than dynamite.

Sun sets tonight 6:05. Sun rises tomorrow 6:11.

There are people who get excited when they see a couple of surveyors strolling around. They may be only making lines to make some bird's property of less dimensions.

A congressman declares that the censorship of radio and motion pictures is as damaging to the American form of democracy as would be censorship of the press. The public does its own censoring of the press and no newspaper ever gets as flip as do some movies. People who see movies in some states can appreciate them in Pennsylvania.

Mr. Rents: If there is anything at all in this tale about Ford being up at Harbor for auto works and on the Youngstown Hill for airplane works why not give it some publicity through your paper, things with much less foundation has been reported to a great extent.

There is something big for sure at these places as a lot of land has changed hands to out of town people lately.

There was also an expert on radium making secret tests up at the top of Youngstown hill last week and they say he got very satisfactory results in tests.

A certain light colored sand aroused on East Side let it out in a whisper to a friend, but it's being hushed up as much as possible. It wouldn't hurt to print these rumors at least.

If these things are true and there is every reason to think they are N. C. will be advertised all over the world.

So Fred pep up the people and let them hear what to expect in near future. Also they are cleaning out box works and holding two and three meetings every week in the office. That looks like something too.

Boost Fred boost or your property as well as mine won't be worth a tinker's dam. The people won't have enough to buy your papers.

Thieves are always either stealing plans to carry on their pilfering activities.

There are men who would not marry one of a pair of twins. They would insist on an exclusive model.

We told a bird yesterday that we were going to get into the truck farming business some day. He said we couldn't fool him as trucks aren't raised. They come from a factory. Oh, row-dee-dow-dow!

Smoke on this: Annual American bill for tobacco has reached \$2,000,000,000, or \$16.80 for every man, woman and child. Think of the hot dogs that would buy. Or the vitamins in sauer kraut. Greatest increase was in cigars, total puffed being 108,915,000,000. Due to advertising. And the ladies who thus exercise their emancipation. But government collected \$411,000,000 in taxes on tobacco. Which helps. To build a few smokestacks on battleships.

Only one thing worse than being bothered is being ignored.

The chap who has nothing to lose certainly can and does take a chance, knowing he is not responsible.

A little guy told us he would know as much as his teacher if he could always have his lesson book in front of him.

There is a big gasoline price cut-rig war on in California and gasoline was sold as low as five cents a gallon in San Diego last week. When the fighters get together later they

will soon make up the losses suffered by all concerned and the dear public will foot the bill.

A new speed record has been established for an automobile, 231 miles per hour. This record was made on a track especially prepared for such a test on the beach in Florida. No one should try to make this record on the roads of any state.

Generally speaking, too many people are generally speaking.

Teacher—"If I have \$30 and coal costs \$10 a ton how much coal can I buy?"

Kid—"Four tons."

Teacher—"That's not right."

Kid—"I know it but they got away with it."

Some jobs require a big vocabulary, but the job of being a good dad requires only the four words: "Go ask your mother."

The World AND THE Mud Puddles

MAN AGAINST THE WORLD. There wasn't much to be learned that everybody didn't know in the experiment of a German swimmer at Hamburg who swam against the strength of a sea lion—until the monster collapsed from exhaustion.

No animal ever lived with the endurance of man. A cavalry horse can only carry one-fourth of his own weight for any distance—or for any length of time. A man in training can pack three-fourth of his weight indefinitely.

Mr. Charles Kellogg, the student of vibrations, has said of a man in the Maine woods who as an experiment walked down a full-grown bull moose. He followed the moose night and day for five weeks, until the animal fell from exhaustion.

Some years ago a man in Prescott, Arizona, bet that an Apache Indian could outrun any two horses alive. A course of approximately 400 miles was set. A light rider was given two fine saddle animals which he was permitted to change at will. The Indian finished twelve hours ahead of the worn-out horses.

All this is nothing new. Rome carried its mail on its magnificent highway to and from the veriest bowdies of the Empire by human runners in relays at a speed of nearly three hundred miles a day.

Comment On Hoover's Address Emphasizes Modesty And Force

Inaugural Message Accepted By Press Generally As Promise Of Effective Administration Of Domestic And Foreign Affairs

NEW YORK EVENING POST. In all the big issues of government since prohibition, President Hoover justifies the faith we had in him. On this question he seems to us to adopt a course that will again seek to sink this irrepressible issue beneath some other label and thus continue the costly confusion over it. He makes of himself an enforcer of the law and a champion of it. He had hoped that he would make himself an enforcer, but also a statesman looking for the consideration of the mighty problem back of the law. Of his statement, a dry investigation, The Post states, comparing with it the proposal for investigation of federal jurisprudence: "Many were who supported Mr. Hoover's candidacy will not see in this announcement a fulfillment of the promise made in the speech of acceptance."

The address begins with a conventional and ends with a prayer, "observes the ST. LOUIS GLOBE-DEMOCRAT. 'At a time when many and potent influences are being exercised to bring faith and righteousness into contempt, it is encouraging and reassuring to hear the chief executive of the nation, the head and leader of the American people, declare his allegiance and his trust in the solemn moment of his inauguration.'"

"Another inspiring document, adequately comprehensive, adequately lucid," is the appraisal by the LOUISVILLE TIMES, while the CLEVELAND PLAIN DEALER calls it "idealistic, in the main non-controversial, phrased in sincerity and beauty." The MADISON STAR points out that "the plea of almost all those associated with him in the administration to work in the interest of all the people and not as the representative of the party in power."

The HUNTINGTON ADVERTISER advises that "well-meaning citizens remember that government does not exist for political parties, but rather that political parties exist for government."

"A many-sided man, for one thing, remarks the BUTTE DAILY POST, 'eminently practical, highly trained, technically hard-headed in his efficiency—all these things, yes. But it is not his idealistic side that we like to contemplate.' The MADISON WISCONSIN STATE JOURNAL feels that a reading of the message is 'sufficient to convince everyone his plans give promise of statesmanship.'"

"The highest point and most admirable in the address," in the opinion of the ATLANTA JOURNAL, "is that at which Mr. Hoover declared for a policy of liberal co-working in international affairs and specifically for our adherence to the Permanent Court of International Justice." The DES MOINES TRIBUNE-CAPITAL views his administration as one which "marks a turn in the road for the United States and we may readily believe for the world."

"The world is likely to see 'the builder at his best and greatest,' predicts the OMAHA WORLD-HERALD, 'as, under his vigorous leadership, the United States again takes up the role of peace-building that it laid down when the hand of Woodrow Wilson pressed the Atlantic Charter.'"

## Three Big Railroads Ordered To Dispose Shares Of Wheeling

Nickel Plate System, B. & O.  
And New York Central  
Ordered To Sell Wheel-  
ing Stock

Three Big Trunklines Given  
Ninety Days To Relin-  
quish Holdings

PITTSBURGH, March 14.—A de-  
cided effect upon the late cargo rate  
status was seen here today in finan-  
cial circles in the order issued yes-  
terday by the interstate commerce  
commission to the Nickel Plate sys-  
tem, Baltimore & Ohio and New York  
Central to divest themselves of con-  
trol of the Wheeling & Lake Erie  
railroad.

This ruling followed a report from  
Wall Street that the B. & O. and  
New York Central had sold their  
holdings in the W. L. E. amount-  
ing approximately to 34 per cent of  
the stock. It was reported that this  
deal consisted of three railroad  
companies, the Buffalo, Ro-  
chester & Pittsburgh system from the  
Allegheny corporation and the trans-  
fer of the W. L. E. stock to the  
Allegheny corporation. The Van  
Swearingen interests, which own the  
Nickel Plate system, control the Allegheny corporation.

Given Ninety Days  
The three trunk lines were given  
90 days by the commission to dispose  
of their holdings in the Wheeling.  
It is reported that those lines held  
52 per cent of the stock, divided into  
three groups of 17 per cent for each.  
The commission's ruling held that the  
control of the Wheeling by the trunk  
lines named "may be substantially to

open competition" among the roads  
served.  
The Van Swearingen of Cleveland  
acquired control of the Wheeling two  
years ago in a Wall Street fight which  
skyrocketed the prices of the stock  
and made many millionaires over-  
night. The stock was then appor-  
tioned among the B. & O., N. Y. C. and  
the Nickel Plate. The Pittsburgh &  
West Virginia railroad, which is con-  
trolled by Frank E. Taft, vigorously  
opposed this move in a proceeding  
brought before the commission. After  
several months the commission re-  
fused to permit the three trunk lines to  
nominate members for the Wheeling's  
board of directors.

## Rev. C. F. Heagle Given Hearing

PITTSBURGH, March 14.—Rev.  
George F. Heagle, of Greencreek, a  
small community near McKeesport,  
faces banishment as a minister and  
expulsion from the Pittsburgh synod  
of the Lutheran Church. It was re-  
vealed. Already without a charge as  
a result of forced resignations from  
the pulpits of Peace Lutheran church,  
Greencreek, and St. John's church,  
Dravosburg, Heagle appeared before  
a special synodical committee here.  
The hearing was held behind closed  
doors and neither Heagle nor mem-  
bers of the committee would discuss  
what transpired.

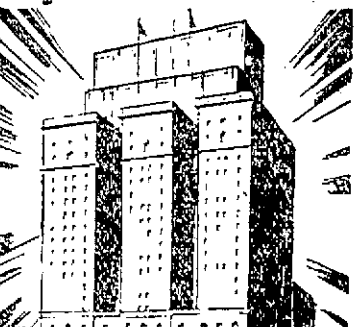

## Financial Adviser Named For Haiti

WASHINGTON, March 14.—Sidney  
De La Rue, of New York, has been  
appointed by the president of Haiti  
as financial adviser to that country.  
The state department announced to-  
day. He succeeds Dr. J. C. Millsap,  
of Michigan, who resigned last Jan-  
uary.  
The financial adviser to the Haitian  
government is nominated by the pres-  
ident of the United States and then  
formally appointed by the President  
of Haiti.

## To Fix Blame For Outbreak

Paraguayan-Bolivian Concili-  
ation Commission Begins  
Labors

(International News Service)  
WASHINGTON, March 14.—The  
Paraguayan-Bolivian conciliation  
commission began its labors Wednes-  
day after two months preparation to  
investigate and fix the blame for the  
armed clashes in the Paraguayan  
Chaco last December in which a score  
of Bolivian soldiers were killed and  
many wounded.  
Brig. Gen. Frank McCoy, fresh from  
his successes in giving Nicaragua a  
fair election, represents the United  
States on the commission, composed  
of five neutrals, and two commis-  
sioners each from Bolivia and Paraguay.  
McCoy is expected to become chair-  
man of the commission.

Secretary Kellogg opened today's  
session. After the organization is  
completed and some testimony is  
taken here, the investigation may be  
at the scene of the clashes, with some  
of the sessions taking place at a se-  
lected neutral capital in South Amer-  
ica.  
The dispute which was the primary  
cause of the fights between the Para-  
guayan and Bolivians is of more than  
fifty years standing and involves pos-  
session of a large section of the Gran  
Chaco lying in the form of a wedge  
between the two countries bounded  
by the Pilcomayo and Varaguan  
rivers.

## Merge Skates And Water Wings

Bessemer Lads Find No Ice, So They Swim Instead

"Get your bathing suits and skates  
together, and let's go out for a frolic."  
"Put my bathing cap in my to-  
boggan, John dear, and for goodness  
sake don't forget the ice pick and  
water wings."  
Sounds ridiculous, to be sure, but  
such might easily be the case in the  
little hamlet of Bessemer west of this  
city. Lend your ear and the story  
will be told in minute detail.  
It happened this way, and all credit  
goes to A. E. Eales, who by the way,  
is Burgess of the borough proper and  
safety director in one of the large  
plants of which the little town boasts.  
There is a huge quarry hole located  
to the right of the street which leads  
up to the residential section of the  
village. The hole is a mean one and  
covers some 25 acres. It is entirely  
filled with water which is very deep  
and let us say, very cold.  
The ice hangs on quite some time  
after other good ice has slipped into  
summer hiding quarters and on the  
past Sunday there were two lads who  
had slipped the parental bonds and  
were enjoying a skate.  
All went well. Mr. Eales, journey-  
ing to his home Tuesday evening,  
heard some lads in the vicinity of the  
quarry and wondering if there could  
be any ice left, glanced over.  
Four lads, a 15 September morn-  
ing, were enjoying a nice cool swim in  
the quarry waters!  
The suspicion is that they went to  
skate and finding the ice gone, took  
the next best thing—a swim.  
Spring is here!

## Pennsy Freight Is Wrecked At Altoona

ALTOONA, Pa., March 14.—Three  
eastbound freight cars on the Penn-  
sylvania railroad at Vineyard, east  
of Altoona, were derailed early to-  
day.

The accident occurred at about 3 o-  
clock this morning. One car left the  
tracks, pulling two others with it,  
piling debris on westbound tracks.  
Wrecking crews from Altoona cleared  
the tracks after two hours' work.  
Westbound passenger trains lost about  
two hours scheduled time.

S.S.S.

"Once I was worried.

My blood was getting on my nerves. I prepared many appetizing dishes, but John simply would not eat—just "minded" at his food. Perhaps sometimes a little cravily. What was I to do? Love, time, happiness, business success—all depended upon an improvement in his condition. The blood tonic idea suggested itself to me. My Druggist recommended S.S.S. He told me that S.S.S. was a great blood tonic; that it had been successful for over 100 years; that it was made from fresh vegetable drugs and would not harm the most delicate system. Also that it would build up the blood and improve the processes by which the body is nourished. I brought home a large size bottle. John agreed to try it. Well, in just a few days I could see the difference. His improvement has been so rapid he is going to take several more bottles, and not only that, but he is now telling his friends to take S.S.S."

Rich, red blood builds  
sturdy health

Without plenty of rich, red blood, there could be no strong, sturdy, powerful men, or beautiful, healthy women.

When you get your blood cells back up to normal, that sluggish, let-down feeling, loss of appetite, rheumatism, boils, pimples, and skin troubles disappear. You get hungry again, sleep soundly; firm flesh takes the place of that which was once flabby. You feel strong. Your nerves become steady.

S.S.S. is daily helping people regain their strength and charm. Thousands of users have testified to its benefits in unsolicited letters of gratitude. It helps Nature build red-blood-cells. It gives to Nature what it needs in making you feel like yourself again.

Loss of appetite only a  
symptom

It is a known fact that when one's system gets "run-down," they haven't the resistance to ward off diseases. Loss of appetite is only a symptom. General weakness pervades the entire body. There is no desire to work or play.

## GARDNER

Rev. C. L. Davis, pastor of the Church of the Nazarene in New Castle, preached last Sunday afternoon at Gardner chapel. Mrs. Thomas, Mrs. Robinson, Mrs. Jacobs and Mrs. Heckathorn all came with their pastor and added much to the interest of the meeting by their singing. Rev. A. G. Montgomery, United Presbyterian minister from Lowellville, will be the speaker next Sunday. Last Wednesday the members of Center U. P. church enjoyed a tureen dinner, which was served at the home of Mr. and Mrs. Harry Myers. The ladies had an all day quilting and the men were busy cementing the basement of the church and making some repairs. Mrs. Isaac Little and Mrs. Theodore Watson of East New Castle went to Cleveland last Sunday to see the former's daughter, Mrs. MacCowan, returning home Sunday evening. Miss Mildred Johnson of East New Castle, who was ill for some time, is now improving. Mr. and Mrs. Harry Corbin and daughter Harriet of New Castle called at the home of Mr. and Mrs. Alfred Thompson of Gardner last Sunday. Mrs. Frank M. Jones of New Castle was a guest last Friday at the home of her relatives. Mr. and Mrs. Frank A. Hay of Gardner. Mr. and Mrs. Leslie Eakin of New Castle called last Friday on old friends at Gardner. Mrs. James Thompson and sister, Mrs. Lewis, and Mrs. Ralph Emery, all of New Castle, went to the preceding services last Sunday at Gardner and called later on old friends. Mrs. Mary Miller of Basil, O., is staying this week with her relatives at the Comstock home in Gardner. **ONE GOOD TURN, ETC.** Under a new order a man awarded a term of imprisonment in Germany may serve his sentence at a time convenient to himself, in return he thinks that crooks should study the convenience of householders when arranging their fixtures.—Punch, London. ## Why Doctor Reynolds

Insists on  
Milk of Magnesia  
in Tablet Form

The Doctor's Verdict.  
"Yes, Laema Wafers, I always insist on my patients using Laema when the need of a Milk of Magnesia is indicated. Liquid magnesium precipitates while Laema gives assurance of accurate dosages and are pleasant and easy to take."  
Again science has triumphed and today the medical and dental professions are prescribing Laema Wafers.  
**Children Love Laema.**  
Children who fight against unpalatable liquid magnesia actually crave Laema Wafers, because they taste like candy.  
**Laema Wafers Economical.**  
Laema Wafers keep perfectly under all conditions. You get more for your money as there are 100 teaspoonful in each package. No danger of freezing or precipitating.  
**Laema Wafers Convenient.**  
Laema comes in an attractive package which, due to Laema being concentrated, can be carried in your vest pocket. Remember it is not necessary to add water to Laema—of course you can if you wish—but Laema will dissolve quickly if just placed upon the tongue.  
**Use Laema Regularly.**  
All admit that milk of magnesia should be used for various uses—correct acidity, for bad breath, a gently laxative, cleaning the teeth—and all the various uses for which milk of magnesia has been found so desirable.  
Go to your druggist today and ask for a MILK MAGNESIA package of Laema Wafers. They cost but a few cents. Start using Laema Wafers and you will never go back to the old methods.

## YOUR PLAN BROADWAY and Mine BY WALTER WINCHELL

(Exclusive Central Press Dispatch to  
New Castle News)

NEW YORK, March 14.—In 1906 when the Aerial Gardens (now the Ziegfeld Follies) was opened by Klaw and Erlanger, they found it tough shelling out people to get into the elevator leading to the Roof Theater. At the time Pay Templeton was featured. After her initial performance she received a daily rhymed mash note, flowers and gifts from a person named Thomas Lanphier, but the star snubbed him, sent back his presents and otherwise broke his heart.

When the Albany Night Boat docked upstate one morning, a state-room revealed a photo of Miss Templeton, some letters written to her, some verse and a hat containing the initials "T. L." The poems told of undying love, a bruised set of heart-strings, and so forth.

Mark Tauscher later explained the suicide to the papers, and the front pages carried the story. That night the crowds came to see Pay Templeton, and after that she was a definite hit.

It was a first-rate press stunt, and not until several weeks had passed was the remorseful Miss Templeton tipped off that it was all a trick to catch the trade, and that there never was a person named Thomas Lanphier.

The passionate verse she received (which the newspapers said revealed genius) was actually written by one of the owners of the falling theater, Marc Klaw.

### VIRTUE PAYS AGAIN

It was revealed in "The Town's Women", which came to the Craig, that Virtue Pays, even if it doesn't pay much, as the saying goes. This new comedy, as it is described in the playbills, is from the Underwood of Martin Mooney, exploiter for John Golden, and by Thompson Burles, and while it did not appear to excite the first witnesses, it seemed to please some of them.

It is, for the greater part, an ordinary play, with an attention arresting episode or so, all of them widely scattered, however. It probably will not survive.

How a parent, who is a bit of a shady character himself, attempts to outwit a good girl, but is unmasked in his true colors before the denouement arrives, is presented shabbily, and there is a series of passages that apparently were aimed to startle the listeners.

### HOUSE CAT

Love comes to us, a little cat  
With soft and graceful purr;  
How trustful is its grateful head,  
How soft its fur!

Love seems a little pet to us.  
A small and helpless thing;  
But love's a patient tiger.  
Crouching to spring!

—Mary Carolyn Davies.

### UNDERWORLD DESE

They were gabbing about a lad who was "talking too much" about a murder mystery.  
"I see he's getting' his pictures in the papers shootin' off his mouth, ain't he?" said one red toter.

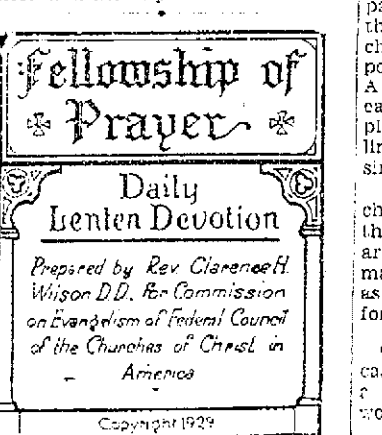

"Yeah," observed another. "It ain't gonna be hard to bury him after he gets all that lead in his body!"

### MERCHLESS TRUTH

Take it from Ben F. Holzman, if your activities are confined to the Broadway district, and you can make two friends between 42d and 59th streets in a lifetime, then consider yourself a huge success.

### TYPES I'M GLAD I'M NOT

Leon Errol's definition of a kibitzer is a guy who wears white socks. He probably is the sort, who also features button shoes, a pocket comb, a nail file (which he uses in public), stands before a subway gum machine mirror and squeezes out his black heads, annoys prominent men seated on the dais at a dinner by asking for their autographs, and still leaves a waiter a nickel tip!

Topic  
"LENT AND MY CHURCH"  
Memory Verse for Thursday  
"The field is the world" (Matthew 13:38). (Read: Mark 9:33 to 42.)

MEDITATION: I love my church because in every way it is big. It keeps bringing the loftiest and most sublime themes to me for my contemplation. It opens to me a wide outlook upon life. Nothing human is alien to its interest. No race or people in the world is outside the pale of its sympathies. It brings India and China and dark Africa with the needs, the fears, the hopes of their seeming millions and makes them my neighbors. Its field is no little kitchen garden in my own town; its field is the world. So it enlarges my life.

PRAYER: Heavenly Father who hast made of one blood all nations, cleanse my heart of all hatred and all impious prejudice that with charity for all and malice toward none I may welcome to my sympathy and my help all Thy children of whatever color or race or condition, that so I may follow Christ Jesus in whom there is neither Jew nor Greek nor any alien. For His sake. Amen.

## Killer Of Wife Has No Regret

Informs Police She Was Not  
Faithful And Neglected  
Family

YOUNGSTOWN, O., March 14.—Six South Side children are motherless, following the shooting of Mrs. George Levy, 25, by her husband, George, 39, who is held in the county jail. The latter freely admits the shooting and says that he is not sorry for his act, accusing his wife of infidelity and failure to properly care for the children.

For more than a year Levy and his wife have quarreled and the climax came late yesterday when Mrs. Levy decided to leave and stay with a friend, Victoria Wallace. Levy followed his wife and when she refused to return home, calmly pulled a revolver from his pocket and shot her four times in the chest and face, killing her instantly.

Members of the Wallace family heard a fifth shot as Levy left the house and thought he had killed himself, but they learned the gun had accidentally discharged.

Police captured Levy as he returned to his own home, and he offered no resistance. He is a railroad worker.

## Too Much Mash Is Clogging Sewers

PUNXSUTAWNEY, Pa., March 14.—Street Commissioner Frank Boney of this city complains that so much mash from home-made wines, beer and whisky is being dumped into the sewers of Punxsutawney that some of them have become clogged and had to be cleaned. From one manhole more than 10 barrels of mash, consisting principally of raisins, were taken.

An investigation will be ordered unless residents take some other means of disposing of their booze refuse.

## BELIEVED FATALLY INJURED BY TRUCK

STUEBENVILLE, O., March 14.—Miss Helen Gibbs, 21, was probably fatally hurt when struck by a truck driven by Charles Barnes, news dealer, at Weirton, W. Va. The accident occurred while the young woman was crossing the street to Weirton's Good offices, where she is employed. She is internally hurt. She was brought to the Ohio Valley hospital here. Mrs. Clyde Linduff, 33, wife of a Stuebenville banker, was run down by a truck driven by William Paden, grocer, here last night and internally hurt. Her condition is not dangerous.

## Your Income Tax

No. 33  
Under the "information at source" provision of the revenue act of 1928, all persons, in whatever capacity acting, are required to report to the Commissioner of Internal Revenue payments of fixed or determinable income to others during the taxable year of \$1,500 if the recipient of such payments is single. If the recipient is married, report need not be made if the payments aggregate less than \$3,500. If the marital status of the payee is unknown to the payer, or if the marital status of the payee changed a single person for the purpose of filing an information return, a separate return of information for each employee is required of employers. The requirement is not limited to periodical payments, but a single payment must be reported. Information returns are carefully checked with the individual return of the taxpayer to whom such payments are made. During the year 1928 many delinquent returns were secured as a result of the examination of information returns.

## Gas In Stomach Hurts the Heart

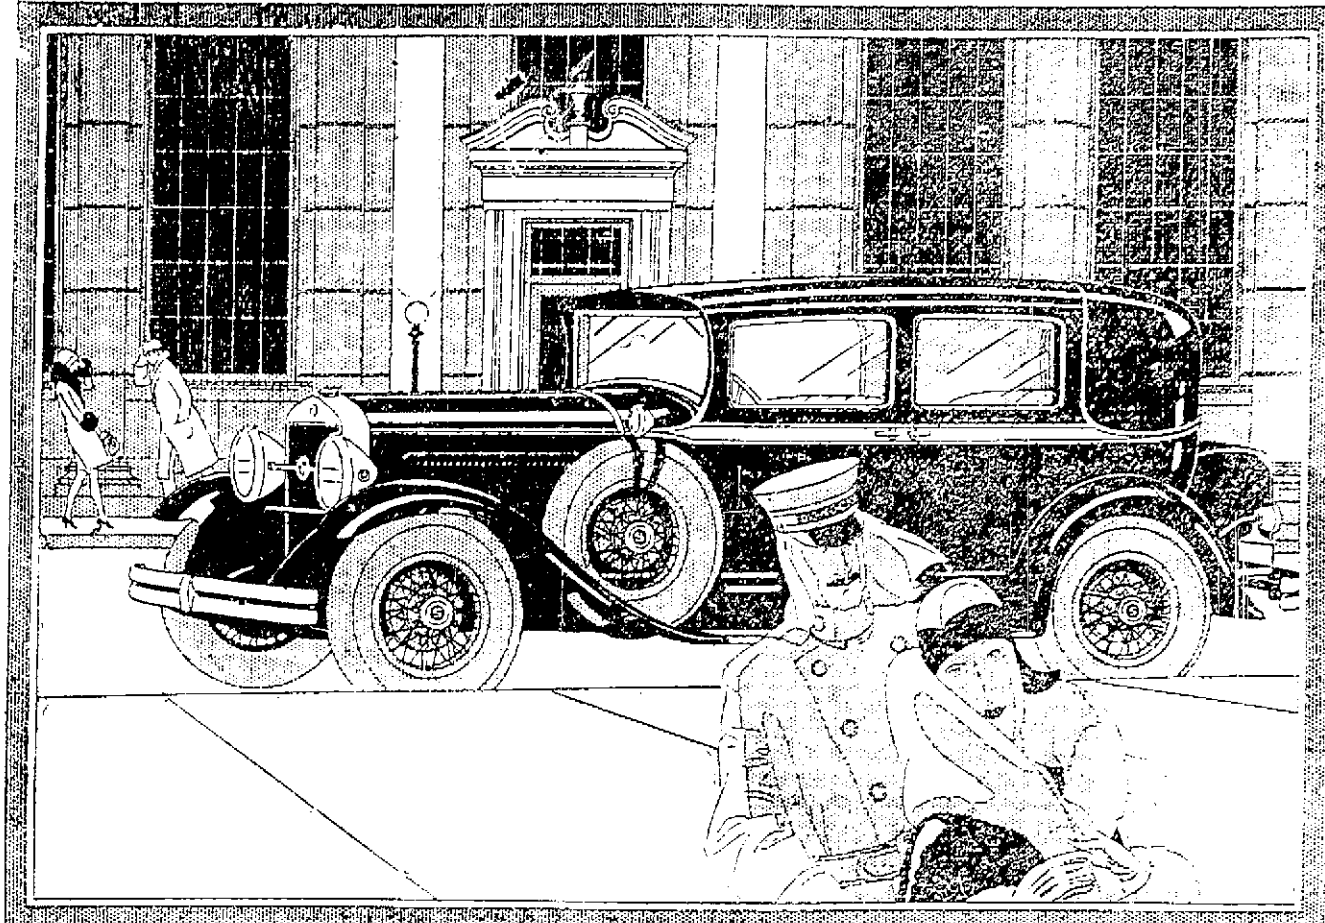

Thousands Of Cases Of Heart Failure  
Are Caused By Acute Indigestion,  
Says Medical Writer

Gas pressure from sour, acid, upset stomach is not only nauseating and highly uncomfortable but some day it may prove fatal.  
When your meals are followed by bloating, a feeling of fullness or pressure, shortness of breath and palpitating heart, you may be sure that the acid condition of your stomach is producing a gas that is pushing upwards and crowding your heart. That's the reason for the shortness of breath and sharp, shooting pains.

Whether young or old, the presence of stomach gas is truly serious and should always be given prompt and careful attention.  
To quickly banish gas, cleanse and soothe the stomach, neutralize the acidity—nothing is better than the daily or "as needed" use of ordinary liquid Magnesia. It gives almost instant relief.  
Any good druggist can supply Eburated Magnesia in powder or tablet form, at very small cost—but be sure you get EBURATED Magnesia—recommended by Physicians and Druggists throughout the civilized world for more than 15 years.

## The Way OF THE World

By GROVE PATTERSON

ROOSEVELTS  
Franklin Roosevelt, governor of New York, is a fifth cousin of the late T. R. That's not a very close relationship, but Roosevelt is a Roosevelt. T. R. was a sickly youth, but by courage and discipline he made himself a strong and active man. His namesake, the governor of New York, on the other hand, was an athletic youth. He was attacked with infantile paralysis and suffered greatly for years. By the same kind of courage and discipline he has gone a long way toward regaining his health and strength.

IS RABBIT IN THE PULPIT?  
An eastern preacher says efficiency and hustle have supplanted scholarship in the American pulpit. Looking for a new pastor, the church asks, "Can he put it over? Can he raise the money? Can he organize? Can he make it go?"  
Does the church want boosters rather than scholars and men of deep spiritual insight? Does it want go-getters, rather than men who are kindly and tolerant and broad?

MAKING NEWS  
Men who are eager to break into the newspapers rarely stop to think that they have to make news before they can get it printed. Simply handing the newspaper editor an opinion isn't likely to bring publicity. The North American Review in a recent issue tells of the wondrous

talent of Tex Rickard, fight promoter, for making news. He took a "Millionaire Special" train, loaded with capitalists, railroad owners, publishers, Wall street men, up into the woods to see Tunney train for the Heeney fight last summer. It cost him some money, but no paper could ignore a trip like that, with big names involved.

In the first Tunney-Dampsey fight Rickard carried a special train full of sporting writers to St. Louis to let them see him sign the contract with Tunney. Of course the real contract had been signed months before—but

## SEVENTH WARD NEWS

Present Shadowgraph  
Program At Mahoning  
School WednesdayDr. Mary J. Baker Speaker;  
Other News Notes Of The  
Seventh Ward

Junior high girls and boys produced shadowgraph pictures as a part of the junior high chapel program Wednesday morning in the Mahoning school auditorium. The program was presented by the health department of the school.

Dr. Mary J. Baker was the speaker, giving a talk about health in general and how it may be attained. There was also a talk by Isabelle Shaw, a junior high student, about health.

After this there were shadowgraph pictures produced by a number of girls and boys. The pictures illustrated the various kinds of physical activities of the girls and boys of the school.

The girls gave a demonstration of roller ball, basketball, basketball, tennis, etc. The boys demonstrated their sports, football, basketball, baseball, track, swimming, wrestling, boxing, etc.

The program as prepared by the department of physical education at Mahoning school proved very entertaining and different from the programs usually presented.

SIMPLE IDEA NETS  
SALESMAN BIG PROFIT

New York, N. Y.—As a salesman, Mr. T. Handelman, 76 East Seventh Street, found that he had been going along in a rut and that the rut pointed in the downward direction. Then, he says, he got the simple idea of making a slight change in his diet and his sales began to increase to the point that not only was the commission profitable, but a lucrative promotion looked ahead. Mr. Handelman explains his idea and its results below:

"My occupation of salesman is one that requires an alert, aggressive mind, that can see and grasp the opportunity to consummate a sale. I was an habitually heavy user of caffeine beverages.

"For the past year or two my sales had fallen slowly but steadily. Six months ago, I began to analyze myself. I found that it was getting hard for me to go after my prospects because I was becoming nervous and impatient. I went to a doctor and he advised me to quit the use of caffeine. I stopped using it, but there was nothing to fill the void and I relapsed.

## Sends for Postum

"Then I had an idea. One day, I sent away for Postum and began drinking it. The first period was almost over when it gradually dawned upon me that my impatience and nervousness had largely disappeared and that my powers of concentration and aggression had been strengthened. For proof there was my daily increasing record of sales. And what for?

merely. I was hard put to it to hold my position. I have my eyes on a district managership that is coming nearer and nearer to me.

"Thinking it all over, to what else can I ascribe the results but to Postum?"

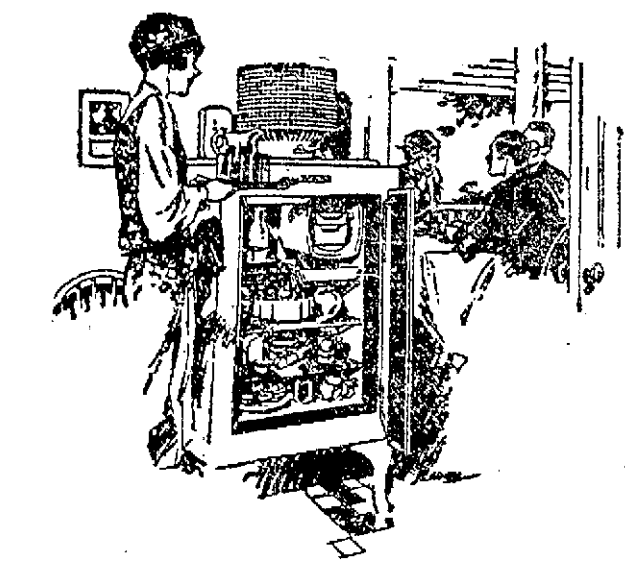

Here's to your success!

There's many a slip 'twixt the cup and success, as many a business man has learned to his sorrow. For caffeine, the seemingly harmless beverage, is eternally at work, slyly, insidiously, tearing down its victim. Often, if the habit is consumed, the effect is felt in the form of slurred nerves, in sleepless nights, in impaired digestion.

Make an about-face now—get back on the road to success! Eliminate caffeine from your diet—drink Postum with your meals instead! Try this change for thirty days—then note the difference. Decide if you ever want to go back to caffeine!

Postum contains no caffeine, no drug of any kind. Postum is made of roasted whole wheat and bran—a drink that never affects sleep or digestion, that never gets on your nerves. You'll like Postum for its own sake, too! It has a rich, distinctive flavor that millions prefer.

Your grocer has Postum in two forms—Instant Postum, made instantly in the cup, and Postum Cereal, the kind you boil. Both cost less than other meatless drinks—only one-half cent a cup. Order today—start your good-day test!

More Cases Are  
Wanted

The Red Cross nursing service here can still handle additional cases according to Pat J. Dempsey the executive secretary.

According to Mr. Dempsey the chapter nurse, Miss Kathryn Hite, can be called at local headquarters between the hours of 9 a. m. and 5 p. m. The nurse makes emergency calls when necessary.

One feature of the service that the Red Cross here wants stressed is the fact that the nursing attention costs nothing to those who are not able to pay. Those who are assessed a small fee for the service. Money taken in from nursing calls goes to finance the upkeep of the nurse's car.

Mr. Dempsey stated that it seems quite strange that more in New Castle do not take advantage of the fine advantage offered. "Sometimes when it is too late, they will realize that the Red Cross operated a remarkable service here in that the charge made is but the very minimum," he said.

By calling Bell 2697 anyone may get in touch with the Red Cross office and there place a call for the nurse. Miss Hite will be glad to visit new patients at anytime. The service rendered is the very best.

Mercer Auditors  
Find Work Grows

Additional Items Added To Accounts They Are Required To Audit

MERCER, Pa., March 14.—The auditors report of the financial condition of Mercer county now being prepared for 1928 by the board of auditors will show an increase in volume of business that the officials are required to audit.

This is due to the addition to the work of the sheriff's office which is now on a salary basis rather than the fee system, the additional work made necessary by the three mill tax levy of 1928 which is gone over with the same care as the regular tax levy the erection of the hospital at the county house and other items.

Books of county officials are reported to be in fine condition.

## RECORD IS BROKEN.

Since taking office on January 1, 1928 Probationary Mrs. J. C. Morse has filled three appearance dockets which would mean the filing of 3,000 legal instruments.

In these dockets are filed all the notes that are brought in to the office as a lien against the maker.

## MANY DOGS TAGGED.

To date 7,200 dog licenses have been issued here for 1929. During 1928 the total number was 9,000.

## Card of Thanks

We wish to thank our friends and neighbors for kindness and sympathy shown during the illness and death of our father, James Ward; also for cars and flowers.

## Gambler Testifies Against Mayor In Johnstown Trial

Gambler Testifies That Mayor  
Caufield Took Thousands  
Of Dollars

EBENSBURG, Pa., March 12.—I wanted to know if this man can rob me, he took thousands of dollars of my money and did not give me what he promised," testified Jonathan Rager, confessed gambler in criminal court here today in the trial of Mayor Joseph Caufield of Johnstown.

"I am not interested in his impeachment or removal from office," declared Rager. "I only want to know if he can rob me."

Caufield is alleged to have promised Rager immunity from police raids but failed to do so. Rager's affidavit stated that the investigation that resulted in indictment of Caufield.

Rager testified he gave Caufield 40 percent of the net profits of a gambling establishment in the downtown district of Johnstown.

Caufield's case is expected to reach the jury by Saturday. He is being tried before Judge John E. Evans, on charges of extortion, perjury, conspiracy, misdemeanor in office. Rager is charged jointly with Caufield with conspiracy and gambling law violations.

## Little Green Capsules Bring Freedom From Rheumatic Pains and Agony

McKee's Kut Rate Store, Eckerd's of New Castle, Inc., Offers 5 Day Trial On Money Back Basis

Men and women who were bent nearly double—whose joints were swollen and inflamed—whose very existence was just one continuous torturing trial have watched with wonder their return to physical fitness and felt the glorious relief of a body free from aches and pains simply by putting their faith in the "little green capsule" known from coast to coast as Allenru Number 2.

These little green capsules go after the swelling and the pain in the right way—the knock-out way. One tiny capsule each hour for the first 10 hours; then continue as directed until every little twinge and every bit of tenderness is gone.

Just ask for Allenru Number 2—Substitutes and imitations may be offered you but remember, it's "the little green capsule" that is turning the crank and bringing joy to thousands of Rheumatic sufferers, so insist on Allenru No. 2.

## Famous Recipe For Stopping a Severe Cough

You'll be pleasantly surprised when you make up this simple home mixture and try it for a distressing cough or chest cold. It takes but a moment to mix and costs little, but it can be depended upon to give quick and lasting relief.

Get 2½ ounces of Pinex from any druggist. Pour this into a pint bottle; then fill it with plain granulated sugar syrup or strained honey. The full pint thus made costs no more than a small bottle of ready-made medicine, yet it is much more effective. It is pure, keeps perfectly and children love its pleasant taste.

This simple remedy has a remarkable three-fold action. It goes right to the seat of trouble, soothes away the inflammation, and loosens the clogged phlegm. At the same time, it is absorbed into the blood, where it acts directly upon the bronchial tubes and thus helps inwardly to throw off the whole trouble with surprising ease.

Pinex is a highly concentrated compound of genuine Norway Pine, containing the active agent of creosote, in a refined, palatable form, and known as one of the greatest healing agents for severe coughs, chest colds and bronchial troubles.

Do not accept a substitute for Pinex. It is guaranteed to give prompt relief or money refunded.

## Irreconcilables Will Wage Battle Against Adherence To Court

Minus Senator James A. Reed,  
Irreconcilable Group Will Carry Fight

Serve Notice Of War Against  
Modification Of Terms  
Proposed By Elihu Root

By WILLIAM K. HUTCHINSON  
International News Service Staff Correspondent

WASHINGTON, March 14.—The Senate irreconcilable group, minus the inspired leadership of James A. Reed of Missouri, will fight any modification of the American terms of adherence to the World Court. The irreconcilables today served notice of war against the terms proposed by Elihu Root at the Geneva conference. Root, however, stole a march on the irreconcilables, it was learned, by submitting his plan to the World Court leaders before going to Europe. It met with their approval. Then he showed it to Senator William E. Borah (R.) of Idaho, chairman of the Senate foreign relations committee, but Borah will not say what occurred at the conference.

War in Senate  
"It looks like another war in the Senate," said Senator Nye (R.) of North Dakota, one of the younger irreconcilables. "I feel sure the Senate will not agree to any modification of its terms."

Senator Norris (R.) of Nebraska, an old irreconcilable, who voted for the World Court with reservations, said: "I do not believe the Senate will agree to any modification of its reservations."

The other side, however, was optimistic. Senators Swanson (D.) of Virginia, and Walsh (D.) of Mon-

tana, who led the League of Nations fight and supported the Coolidge administration in the World Court fight, predicted the Senate would approve the new Root terms.

The Root proposal, as Walsh explained, it would merely reach the goal of article five of the American reservations by a different route. As written into the American ratification, article five provided that the World Court could render no opinion on any subject in which the United States had an interest or claimed an interest without the consent of the United States. According to Root, the European members of the court looked upon this article as an "offensive intrusion" on the part of the United States.

The Root substitute, Walsh said, would provide for a series of steps to accomplish the same purpose.

High Noon Club Changes Quarters  
The High Noon club, which is composed of members of the various Masonic blue lodges, has changed its location from the room over the west lodge room entrance in the Scottish Rite Cathedral to the east wing of the dining room.

They are now installed in their new quarters and additional pool and billiard tables will be added. There is much more room and comfort for the members in their new location.

PLAN TO ERECT PLANE BEACON WEST OF CITY

(Continued From Page One)

land-Pittsburgh route, states Miller. Beacons are being erected through the country to make night flying more safe. The beacon, but a short distance from the local airport, will serve as a warning, a mile-post and an instruction quarter. Lights will tell the night flyer whether he is to continue his flight or to make a halt at the New Castle airport.

Land Here Wednesday Afternoon  
Mr. Miller, accompanied by W. E. Jackson, radio engineer of the airways division of the Department of Commerce, landed in their plane at the Youngstown road airport Wednesday afternoon. It was to D. Roy Bradford, owner of the port, and a representative of The News that the present plans were divulged by these government representatives.

When questioned concerning the possibility of New Castle getting the air mail stop here, Miller stated that it was very likely. "The Youngstown road port is located, you might say, directly under the Cleveland-Pittsburgh route, and when the beacons are erected by the Department of Commerce any steps to be made by planes as signalled by the light will land on that field."

"I would say," said Miller, "that you have a very fine chance of getting the stop here. You have a very fine field and your location is desirable."

May Broadcast Weather  
Just what the erection of the new beacon will entail is not known as yet until the final survey. Should certain weather conditions prevail, the erection of a weather headquarters would have to be made. There would be a man in charge and weather conditions would be broadcast hourly, as is the case in the larger cities.

Miller and Parker dropped into the city about two o'clock Wednesday afternoon. They were the guests of D. Roy Bradford, owner of New Castle Airport, throughout the afternoon. As weather conditions broadcast from Pittsburgh were not encouraging, the flyers remained over night.

The pilots expressed themselves favorably with regards to the location of the city and what it would mean in future air progress. You have a fine chance here of being a hub in passenger service lines and future air mail extension lines would probably find New Castle a central location due to your position here with regards to the neighboring cities.

Miller and Jackson also had much praise for the local airport. "It is one of the finest little fields that I have seen," they stated, "and at the present time the condition of the field is excellent. Most fields are impassable this time of the year, but we had no difficulty in landing here. We are also grateful to know that our flyers will have such a field to land on near the beacon base."

Don't Let That Cold Turn Into "Flu"

Just Rub Away Danger

That cold may turn into "Flu," Grippe or, even worse, Pneumonia, unless you take care of it at once. Rub Mustard on the neck and see how quickly it brings relief as effectively as the messy old mustard plaster. Mustard made from pure oil of mustard, camphor, menthol and other simple ingredients, is a counter irritant which stimulates circulation and helps break up the cold. You will feel a warm tingle as it enters the pores, then a cooling sensation that brings welcome relief.

## Ranchers Caught In Big Blizzard

(International News Service)  
GORDON, Neb., March 14.—Three hundred ranchers, who went out to search for 6-year-old William Reeves, trapped in a blinding blizzard on the plains of Northwestern Nebraska, near here, were themselves marooned by the storm today.

Puttle efforts have been made to get food to them. Trucks which started through last night to the Reeves ranch, were blocked by six-foot drifts.

Attempts to get into communication with the second party were unsuccessful.

### JURY GIVEN CASE OF FOUR DEFENDANTS

The case of Samuel Rabko, charged with felonious assault and battery, and Mike Litronowich, Carl Gregorovich and Ludwig Bagdun, charged with assault and battery, which was tried before Judge Chambers, went to the jury today. The case was one in which the four defendants were mixed up in a fight.

### WE GIVES BIRTH TO UNUSUAL SHEEP

Charles P. Craig, former well known butcher of this city, who now resides at Rose Stop on the Harmony Line, had a ewe, which gave birth this week

to an unusual monstrosity in animal life. It was two complete fully developed buck lambs attached together at the breast, having but one head, but four ears and eight legs. Unfortunately, the strangely formed animal lived only but a short time.

### SUIT IS FILED TO COLLECT BILL

C. D. Williams, trading as Deans Auto service, has filed a suit at the prothonotary's office against Frank Barozky of near Volant in which he claims a bill of \$608.93 for oils, gas and greases furnished to the defendant.

## Easter Cantata Is Planned At Jackson

North Beaver School Students Will Present Easter Cantata March 27

An Easter cantata, "The Resurrection Song," will be presented March 27 by the North Beaver township school at Mt. Jackson under the direction of William McCullough. Some 50 pupils from the high school will take part.

Prior to the presentation of the cantata, a concert of selections by the high school orchestra will occur. This is also under the direction of Mr. McCullough.

Solo parts in the cantata will be taken by Alene McHard, Howard Kennedy, Mae Gilchrist, Charles Dennis, Lillian Lipp and Helen Swisher. Students in duet parts are Jean Chambers, Mary Patterson and Helen Swisher.

### SPANISH WAR AUXILIARY MEETS NEXT TUESDAY

Woman's Auxiliary to Daniel Leasure Camp No. 24, United Spanish War Veterans, will hold a regular meeting next Tuesday evening, March 19, at the Legion Home. Arrangements have been made to hold a card party in connection with the meeting of the auxiliary and also the

camp and a pleasant social time is anticipated.

## VERDICT OF GUILTY IN LARCENY CASE

## North St. Graders Present Operetta

Goodly Throng Sees Pupils  
Give "The Rainbow's  
End" Wednesday  
Night

A well-filled house witnessed the performance of over 100 North Street school pupils in their operetta entitled "The Rainbow's End" when it was given in the auditorium of the Benjamin Franklin Junior High school Wednesday evening.

Under the direction of Miss M. E. Owens and Miss Helen Lyle, the highly costumed cast presented their play well. The parts were enacted exceedingly well and the chorus sang its nine selections splendidly.

Scene one portrayed the home of Joan and Peter during an afternoon in November, scene two showed the place where fairies dwell and the third scene was the same as the first. The choruses were beautiful and included "Hail to the Fairy Queen," "The Fairies of the Night," "When the Moon Shines on the Snow," "From the Deep Sea," "The Flame Fairies' Mission," "The Coming of the Rain," "Lullaby of the Leaves," "The Message of the Rainbow" and the last, "The Fairies Know."

While the operetta was generally supervised by Miss Owens and Miss Lyle to the extent that it was a grand success, others also had important parts to play in making it a success.

Miss Carrie Dice and Miss May Martin were in charge of the ticket sale; Miss Evelyn Spencer and Mrs. Clara Graham supervised the program; Mrs. M. E. Owens, music; Miss Helen Lyle, dances and dramatics; Mrs. E. L. Kaplan as pianist, and the costumes by Miss Ann Levine, Miss Blodwyn Grey, Miss Lou McIlvenny, Miss June Logan, Miss Helen Grotefeld and Miss Sara Rice.

Those pupils who participated in the cast were as follows:

Joan, any little girl—Mary Bennett, Peter, her brother—Joshua Kaplan. An old woman (later Iris)—Rose De Thomas.

## Girl Wins Verdict In Sensational Trial

UNIONTOWN, Pa., March 14.—Following a trial chock full of sensations, in which well known families were mentioned, Donald Gause of Eberson was convicted on a paternity charge brought by Mary Goldenshuh, 19, of Dawson. The jury that returned the verdict was out more than nine hours.

Several women on the jury are said to have insisted upon the acquittal of the young man, who had several witnesses testify that they had been intimate with Mary. However, the girl declared that young Gause was her betrayer and that the testimony of the other youth was untrue.

## Ambassador Not To Be Appointed Until Next Month

President Hoover To Await Return Of Stimson Before Acting

(International News Service)  
WASHINGTON, March 14.—Capital gossip to the effect that Charles G. Dawes is under consideration for the ambassadorship to Great Britain produced little in the way of confirmation here.

At the white house it was said that President Hoover would make no diplomatic appointments prior to the arrival here of his secretary of state, Henry L. Stimson, about April 1. Gen. Dawes has accepted the chairmanship of a financial mission to San Domingo, which will reorganize that country's budgetary and governmental finances. This mission is expected to take several months. Another candidate for the post of St. James Post, according to capital rumor, is Dwight Davis, who retired on March 4 as secretary of war. Davis was a heavy contributor to the Republican campaign fund in the November election. Although no official announcement has been made, it is understood that Ambassador Alanson B. Houghton has indicated a desire to retire as soon as President Hoover conveniently can release him. Houghton took a vacation from his diplomatic duties last November and made an unsuccessful contest for the senate from New York.

The speaker of the evening will be Mrs. John A. Frick, president of the Pennsylvania Federation of Women's clubs. All members are requested to be present as it is unusual for the state president to speak at meetings of this nature. Special music will be on the program and tea will be served by a special committee. All women of Grove City interested in civic affairs are invited to be present for this meeting.

**ROTARY CLUB MEETS**  
The regular meeting of the Grove City Rotary club was held Tuesday noon in the Penn Grove hotel. The program was in charge of Rotarian Dr. P. W. Allen. Tuesday was the beginning of the new attendance contest which will extend over the next few months. The captains for this are Fred Mills and W. D. Mercer, both have organized their sides and are out to battle to the end to keep their sides 100 per cent in attendance.

**ARTS SOCIETY**  
A very enjoyable meeting of the Arts society was held Monday evening. The business part of the meeting was held in the music hall after which those present gathered at the social rooms in the Presbyterian church where a program was presented by the associate members of the society.

**PEOPLE ATTEND CHURCH**  
A census of the families of Grove City that have a church preference reveals the very interesting fact that almost all are either church attendants or designate some church preference.  
With the tally not completed there are reported 1577 Grove City families who have designated a church preference.

**MERGER IS NEAR**  
The merging of the Bessemer Gas Engine company of Grove City and the interests of the C. & G. Cooper company with plants located at New Vernon and Hamilton, O., is fast reaching a completion, it is made known.

The merger was favorably acted on by the stockholders of the Bessemer company some weeks ago. Since that time the terms of the consolidation have been in progress of completion. The merger will be the largest of manufacturing engaged in oil and gas engine building in the history of the country.

**PLAN FOR TOURNEY**  
The basketball tournament of northwestern Pennsylvania sectional winners in high school tournaments to be played on here March 15-16 in the college gymnasium will draw a record crowd, college officials expect.  
To date Sharon, St. Marys and Punksutawney have been named winners in their respective sections with Meadville and Erie Academy to play for the fourth position this week.

**Honor System For Slippery Rock**  
Committee Is Named To Establish System At Teacher's College

(Special To The News)  
SLIPPERY ROCK, March 14. — A committee of nine has been chosen to establish an honor system which will attempt to abolish all forms of cheating at Slippery Rock State Teachers College.

Dr. Eisenberg appointed three faculty members as administrative officers, Mr. Clyde H. Lady, Dr. R. A. Waldron, and Miss Alma G. Rice. This group of three elected two of the student body to their committee, Shirley Holbrook and William Storer, juniors, making five on the committee.

The four other representatives, Alice Dean, senior, Paul Bark, junior, Horace Renick, sophomore, and Dorothy Schumaker, freshmen, were elected at meetings held by the various classes on Monday March 11.

The students were elected on a scale based on good, fearless oratory, leadership, and thinkers. They will talk when necessary and be silent otherwise.

The committee is beginning its work immediately in abolishing cheating of all kinds by setting up a standard of honor to be observed by the student body.

**TWENTY SEVEN MINERS KILLED**

(International News Service)  
MOSCOW, March 14.—Twenty-seven miners were killed today when a carrier cage collapsed in the Maria mine at Arkonovsk in the Don Basin mining district.

The cause of the collapse is being investigated. All the victims were dead when rescuers reached them.

# Gets Big Meal; Then 'Keels Over'

When they feed at the police station they do it well, especially on the day turn, since Tom Lynch has resumed duty as cook for the first of day turn.

Tommy A. especially famed for his stews of all kinds and they are always appetizing and good last at all especially on days that the boys have been busy and have acquired a special appetite.

But on Wednesday the climax was reached. There was enough and plenty to spare and one of the officers desiring to help some unfortunate out, sent in a man, known in the department, whom it appears had not eaten very much for several days.

This man came in and finished as he was, ate and ate, until there was little or none of the stew left. He left apparently filled and in half an hour the police were notified to get him as he had keeled over in a downtown place of business.

It's not likely that any further visitors will be invited in, unless they agree not to overeat.

## Monthly Report Of Neighborhood House

Classes And Organizations Show Good Progress During Month Of February

The March meeting of the executive committee of the New Castle Americanization Society was held Tuesday afternoon at the Neighborhood house on Sciota street with the president, Mrs. T. W. Phillips, presiding.

Reports of the month of February were given by the welfare worker, Miss Christine Butler and the treasurer, Miss Mollie Davis. Miss Butler reported that 815 books had been exchanged in the library and on last Saturday 71 boys and girls had taken out books on that day.

Plans were made for a rummage sale on March 29. Mrs. Earl Ramsey is the chairman in charge.

The Girl Reserves under the direction of Miss Lowery of the Y. W. C. A. is one of the flourishing organizations of the Neighborhood House. A Valentine party was held which was much enjoyed.

The Reserves have a membership of

33. The Beekmans sewing class has an enrollment of 53 with Mrs. Hartman, Mrs. Calvin Smith and Mrs. Stewart in charge. The Embroidery Circle under the leadership of Mrs. W. J. Marshall, Mrs. Eleanor Lewis and Miss Mary Hainer is doing good work.

The Sunday School with an enrollment of 130 has added three new teachers to its present staff. The new teachers are Miss Katherine Dickson, Jay Allsworth and Nesta Allsworth.

The County W. O. T. U. has appointed Mrs. Helen Wilkins to be in charge of the Loyal League. Four girls and one boy have received a copy of the New Testament for having completed the reading and memory course.

## New Order Of Books For Senior Library

New Titles Received Are Now Being Catalogued By Librarian Miss Young

The mid-year order of new books for the senior high school has been received and is now being catalogued and prepared for the shelves by Miss Susanna Young librarian at the high school. The new books which were purchased from the school fund numbered about 20.

In this order while the special needs of each department of the school were considered first, a few outstanding new titles were also added to the long list of books at the senior high school library. Some of these books which will be of interest to all departments are as follows:

"The Valley and Other One Act Plays," by Paul Green; Strachey's "Elizabeth and Essex"; Matthews, "Familiar Trees and Their Leaves"; Mason's, "Four Feathers"; "The ABC of Aviation," by Page; Sara Teasdale's, "Answering Voice"; Edwin Arlington Robinson's, "Sonnets"; W. H. Hudson's, "Far Away and Long Ago"; Hogan's "Outlines of Radio"; Ernest Bayne's, "Aerial Heroes of the Great War"; Camp's, "Handbook of Health"; Modern Short Stories," by Margaret Ashmun.

"Spies," by Gollomb; "Table Service and Debutante," by Mrs. Gunn; and "Readings in American Citizenship," by Greenan. Librarian Miss Young stated that the library is a busy place throughout the day due to the fact that there are contests and book reports nearing.

## South Side Band Presents Concert

Basile's Band Is Beginning Another Season In Successful Manner

Anthony Basile who has been conducting a brass band down the South Side for a number of years is preparing for another season. It was stated last night when Mr. Basile and his 30 piece band presented a very pleasing concert to a large audience on the South Side.

The band was founded in 1925 and is under the personal direction of Mr. Basile. Since 1925 the organization has been very successful, having appeared in many towns in Pennsylvania as well as in New Castle and according to comment the band is ranked very high. Credit is due Director Basile who is putting forth much effort to keep the band at a high standard. The band is composed of all young Italian men.

## Special Services During Holy Week

First Presbyterian And First Baptist Churches To Have Joint Services

Plans have been completed for three joint services of the First Presbyterian and First Baptist congregations to be conducted in the two churches during Holy Week preceding Easter.

Monday, Tuesday and Thursday evening, March 25, 26 and 28, have been set aside for these special services. It is believed that both congregations will be much interested in the coming services and large audiences will attend.

Rev. W. E. McClure and Rev. George M. Landis will preach.

## Booster Club Renews Effort To Get Air Mail

Survey Shows Poundage  
Falling Off Daily Instead  
Of Increasing

### VITAL MATTERS ARE DISCUSSED

Members Urge That Citizens  
Patronize Home Industries  
And Stores

A concerted effort to secure air mail service for New Castle, will be renewed at once by the New Castle Booster Club Air Mail committee, a report made at the meeting of the club last evening showing that receipts at the local post office have fallen off during the past week, instead of having increased as it should.

In order to boost the proposition, a little advertising folder will be printed, which can be inserted in letters intended for air mail service, which will serve two purposes, namely, that of increasing the poundage by that of advertising the city to those who receive this mail.

It was found that while a great number of air mail letters are being mailed, they are mostly brief business letters, weighing only a fraction of the amount one can send for five cents, the smallest air mail stamp issued.

Need 200 Letters Daily  
James P. Cole, secretary of the Chamber of Commerce stated that a

checkup at the New Castle Post Office showed that the largest day's poundage in March was three pounds and seven ounces. Monday of this week, it was two pounds, 11 ounces, Tuesday, two pounds, 12 ounces, and Wednesday, two pounds and four ounces. He explained that only about 150 letters were being mailed, while at least 200 letters should be mailed a day, if the average is to be kept up.

John R. Dunfee stated that air mail contracts are let by poundage and that the government did not care anything about the number of letters carried, but was more concerned about the weight.

The matter of boosting New Castle concerns was taken up, and Floyd V. Lortz, in an address advocated an "Eat New Castle Bread Week."

He stated that only a few years ago, we had a big bread factory over on the West Side. Today it is closed up and the doors locked, he averred. It employed a lot of men and a few women.

Need Co-operation  
"What the New Castle Booster Club needs is the co-operation of the merchants of the city. We want a bunch of fellows who will do something for the city, who are open minded. We have a great shortage of salesmen here in New Castle. We are a bunch of buyers. We need salesmen to sell the city. The idea is to advertise the city. We want to make it so hard for them to sell Youngstown bread in New Castle that they will have to come in here and canvass from door to door. That is the only way that New Castle bakers can sell New Castle bread in Youngstown," he stated.

"And what is good for New Castle bread, is also good for New Castle milk, and ice cream, and kindred products," Mr. Lortz continued.

W. S. Reese, superintendent of the Orr Baking Co. stated that their company spent \$400 a month in New Castle for running repairs to their trucks and \$175 a month on auto tires. This amount would be increased if the company did more business.

Bakers Should Advertise  
Mike Grisel, groceryman of the downtown, stated that the grocermen of this city had been organized for the past three years, and had

been trying all that was in their power to advertise made in New Castle products and to sell them. They had the Booster Club idea a long time ago, but that the bakers and various other concerns who were so vitally interested had not co-operated with them in the matter. He said the grocerymen had done more than their part and felt that it was now up to the producers to help them out with a little advertising. "Let them acquire the people of New Castle with the fact that their bread is made in New Castle and label it such and advertise the fact in the New Castle paper and the citizens would buy New Castle bread," Mr. Grisel concluded.

John R. Bevan moved that a committee be appointed to investigate the condition of affairs and work out a proposition on the matter of eating New Castle bread.

Fred Eakin moved that those present take a standing vote on the matter of eating made in New Castle bread, and when the motion was put, the entire assemblage stood up.

Keep Radicalism Out  
E. D. Hawk, proprietor of the Hawk Bakery Co. was called upon for a few remarks, and stated that The New Castle Booster Club should endeavor to keep radicalism out of the organization and to work wholeheartedly for the uplift of the city in general. There should be no knocking of any New Castle concerns and no personalities should be entered into. In regard to eating New Castle bread, he stated that he thought he was buying such a product, but did not know because the bread was not so labeled. He urged makers of New Castle bread to advertise the fact so that the citizens here would know whose products they were buying.

Tom Cunningham, chairman of the Slogans and nominating committees reported that these committees were making progress on these matters and would probably have a report to make at the next meeting.

William E. Ferver who had promised a paper on the chain store business in New Castle stated that he was not prepared to present it at last night's meeting but would give it at an early date.

Hart Speaks  
George B. Hart, Union township real estate man, who had promised some remarks for last evening, was then invited to speak.

Mr. Hart dramatically put on his overcoat and hat, stating that he had been told that if he got up to speak he would be run out of the meeting so fast that he wouldn't have time to put on his coat and hat, so he was prepared for such an event.

"I have heard many good points discussed here this evening," Mr. Hart

stated, "And I think you are a fine looking body of men. You business men and others are doing well by getting together and talking these things over. This Booster Club idea is just a child being born, but it has great possibilities and grow into a giant in magnitude."

"There are lots of things to say about what New Castle needs. The several hundred people here represent a lot of good talent. I am glad to see so many young people here. You are on the ground floor, ready to ascend the staircase of opportunity. Your good deeds here are doing well. You should cultivate a spirit of good will. Your failures should be the stepping stones to success."

"The one big thing lacking in New Castle seems to be a cooperative spirit. You must show the proper spirit and work together for the betterment of New Castle. Let us have diligent minds toward the bigger things. We must cut out the spirit of hate and bury it forever, because poison and hate will drive out industry and business."

"We ought to go after every industry, big or little and be guided by the inner circle of good fellowship. The people of our city are just waiting to be led to bigger and better things. We should have the cooperation that is needed. Petty jealousies have held us back in the past."

"Now let us see some of the things that are needed. We need to advertise. Tell the world what we have here in New Castle. Nearly every industry develops from a small beginning. We must have foresight. The giants in industry are those that are led by foresighters, will delight you. If you want a clear skin, never be without safe Zemo. All druggists—35c, 60c and \$1.00."

"I am proud of Mother's Friend. It saved my life," writes M. S. Thos.

Sherosky, Leechburg, Pa. "My 9½ pound baby boy was born a few minutes before the doctor came, and I didn't know I had him."

Start using "Mother's Friend" tonight! It is sold by all drug stores.

## Federal Leader

Colonel A. Gonzales, commander of the federal troops in Baja (Lower) California, has the task of defending Tijuana, famous gambling town of the west coast, from rebel attack. With Governor A. L. Rodriguez, Colonel Gonzales remained loyal to the federal government, when the revolution broke out.

said, "And I think you are a fine looking body of men. You business men and others are doing well by getting together and talking these things over. This Booster Club idea is just a child being born, but it has great possibilities and grow into a giant in magnitude."

"There are lots of things to say about what New Castle needs. The several hundred people here represent a lot of good talent. I am glad to see so many young people here. You are on the ground floor, ready to ascend the staircase of opportunity. Your good deeds here are doing well. You should cultivate a spirit of good will. Your failures should be the stepping stones to success."

"The one big thing lacking in New Castle seems to be a cooperative spirit. You must show the proper spirit and work together for the betterment of New Castle. Let us have diligent minds toward the bigger things. We must cut out the spirit of hate and bury it forever, because poison and hate will drive out industry and business."

"We ought to go after every industry, big or little and be guided by the inner circle of good fellowship. The people of our city are just waiting to be led to bigger and better things. We should have the cooperation that is needed. Petty jealousies have held us back in the past."

"Now let us see some of the things that are needed. We need to advertise. Tell the world what we have here in New Castle. Nearly every industry develops from a small beginning. We must have foresight. The giants in industry are those that are led by foresighters, will delight you. If you want a clear skin, never be without safe Zemo. All druggists—35c, 60c and \$1.00."

"I am proud of Mother's Friend. It saved my life," writes M. S. Thos.

Sherosky, Leechburg, Pa. "My 9½ pound baby boy was born a few minutes before the doctor came, and I didn't know I had him."

Start using "Mother's Friend" tonight! It is sold by all drug stores.

JONES LAW PUTS FEAR  
INTO LOCAL BOOTLEGGERS

Purveyors of the cup that cheers are beginning to get as wary as a grey squirrel since the passage of the Federal act known as the Jones Act. It is the bete noir of the bootlegger, a powerful weapon in the hands of enforcement judges, and one of the most drastic pieces of legislation enacted since the adoption of the 18th Amendment.

First of all the "Jones Law" gives the Federal courts the authority to sentence a violator to pay a fine of \$10,000.00 and five years to the penitentiary, which is considerable of a sentence even in these days.

Secondly, it permits the deportation of foreigners who dabble in bootlegging here and are caught at it. And last of all it prohibits an American citizen from transporting or assisting in the transporting of intoxicating liquors to the embassies in Washington, D. C.

Under international law, the embassies of foreign nations in Washington, are exempt from the liquor laws and the ambassadors and their staffs are allowed to have liquor on the premises. Heretofore Washington truckers could truck the liquor to the embassies. Now the work will have to be done by men or women other than citizens of this country.

From different sections of the country come stories of the fear of the law entering the hearts of bootleggers. With a light sentence facing them, it was worth a chance. But with five years in the hoosegow facing him, and the possibility of deportation to Soudania, or whatever country he comes from, looking him in the eye, even the hardened bootlegger is going to have a care. In fact he will probably have a couple of cares.

New Car Registers  
Work Successfully

There is every indication that the electric cash registers now on trial on the Highland avenue street car

line of this city are a success, not only the public finding them good as they become accustomed to them, but also the operators of the cars who find them a great convenience.

There may be a little delay as the passengers stop and put in their dime or token but this is made up by the fact that the operator of the car if in need of change, may press a lever at the side of the register and the contents of the register in dimes and tokens falls into his hand and he has change and tokens both.

According to the operators this has greatly reduced the necessity of carrying a large amount of change and also of tokens.

Mt. Lassen Shows  
Some New Signs  
Of New Eruption

(International News Service)  
RED BLUFF, Cal., March 14.—Mt. Lassen was belching great clouds of black smoke Wednesday—the first definite signs of activity in the historic crater for several years.

Early this morning steam poured from the crater and a heavy white cloud hung over the peak.

Later the vapor turned darker until at noon the crater was emitting clouds of black smoke.

During the past week it appeared that steam was rising from the mountain but because of a heavy wind it was difficult to ascertain if it was actually steam or snow being blown off the peak by the winds.

Explain Design Of  
Women's Club PinLocal B. P. W. C. Observes Na-  
tional Week In City; Dec-  
orations Explained

The question is being asked, "What is the meaning of the emblem used by the Business and Professional Women's club in the decorations to be seen in the various business houses during this week?"

The emblem bears a flaming torch, a winged wand, a ship, an open scroll, and the Winged Victory of Samothrace, standing on the globe. The figures answer who, when, where and why of the organization.

Who is answered by the initials on the base, B. P. W. C. When is answered by the date, 1911. Where is answered by the world; why is answered by the ship of commerce which signifies work. The scroll typifies the world of knowledge, the torch represents wisdom and the winged horse tells of the flying message.

The Winged Victory of Samothrace represents the woman of today, not satisfied but moving forward with a sense of progress. These figures are all seen on the small emblem worn by members of the club. The local organization is observing their national week here at the present time.

Salary Raisers For  
Smaller Counties

(International News Service)  
HARRISBURG, March 14.—In-  
creased salaries for certain employes  
in the smaller counties are provided

in a series of bills introduced in the senate Wednesday by Senator Harvey Huffman, Monroe.

One bill would increase from \$625 to \$900 the pay of district attorneys in counties having a population between 20,000 and 30,000.

Another would boost the pay of stenographers to district attorneys in sixth and seventh class counties from \$600 to \$750 a year.

The pay of auditors in sixth class counties would be \$750 for each day actually employed under the provisions of a third bill.

Every Member Canvass  
At First BaptistWill Be Observed On Sunday,  
March 17; Pledges To Be  
Received

Sunday, March 17, has been selected as the annual Every Member Canvass of the First Baptist congregation. Pledges for the coming year will be received at the morning church service.

In the afternoon the deacons, trustees and captains and lieutenants of the Over Sight System will meet at the church at 2:30 and take the envelopes to all those who were not at the morning service.

It is hoped that all those who will not be able to attend the church service will remain at home in the afternoon to receive the callers.

## Boy Scout News

FINE TREE PATROL  
The members of the Pine Tree Patrol of the First Christian church troop will meet Friday evening at the home of Carlton Barnes on Boyles avenue. At the recent meeting Herbert Rodgers won the spelling-down contest and tests were passed by Herbert Rodgers and Ralph Montgomery.

The following tests were passed: First Class—First Aid, William Nunn; William Offutt—Second Class—Fire Building, Service, and Pace; Ralph Montgomery passed the merit badge test in Wood Carving; Arthur Mc-

## "Don't Cough Your Energy Away"

Exhausted . . .

Because of a Cough

A STUBBORN cough can wreck your whole body—sap vitality. Each spasm not only irritates the delicate membranes of your throat but puts a severe strain upon your chest, stomach and other vital organs.

Your health demands that coughs be checked. They feed upon your strength—lower your resistance—expose you to more serious infections. At the first sign of a cough or throat irritation,

take PERTUSSIN. It helps Nature free the air passages of germ-laden mucus, soothes the irritation and quiets the cough. PERTUSSIN has been prescribed more often for coughs than any other advertised remedy.

PERTUSSIN is safe even for small children and convalescents—a good remedy for "coughs that hang on". It is free from dope—does not upset the stomach and can be taken as often as necessary.

WHY DON'T YOU CHANGE TO RINSO, THE HARD-WATER SOAP? ITS THICK SUDS SAVE WORK

I'M ALWAYS SO TIRED AFTER WASHDAY

NEXT WASHDAY

WELL, I TRIED RINSO TODAY. IT'S MARVELOUS SOAP. I NEVER SAW SUCH SUDS—AND MY WASH IS WHITER THAN EVER!

**Wash clothes whiter this safe, economical way**

TRY RINSO this washday! See why millions of women will use no other laundry soap.

Rinso is different. Its suds are thick, creamy, lasting... even in hardest water. Dirt loosens; clothes come snowy without hard rubbing, without boiling. Saves clothes—hands.

A compact, granulated, hard-water soap—one cupful of Rinso gives more suds than two cupfuls of lightweight soaps. And no softener needed. Get the BIG household package; use Rinso in tub or washer, and for dishes, pots, pans, walls, floors and all cleaning.

## Roaming Round With Richards

Some News, Some Views, But Mostly Just Observations Of Interesting Things Around New Castle

Following wrecked trains or being held up on account of wrecks is beginning to be a habit. Not only a habit, but a regular one. Another freight train decided to go sour on the Pennsylvania Railroad yesterday afternoon near Tyrone, Pa. and we had a two hour still picture of the surrounding territory. And another wait in Pittsburgh.

At the present time the legislative engine of Pennsylvania is in high gear with the throttle pushed clear to the floor. For some reason this session seems more interested in killing a lot of weird legislation than it is in writing indifferent laws upon the books, and while this record will never appear in any of the journals, it is still a fact.

One committee killed something like 22 weird bills in something more than 22 minutes on Wednesday morning. Any one of the bills, if released for vote on the floor of the House would have drawn down a veritable storm of protest. This committee was no different than many others for all of them are wielding sledges this session.

The result will be less laws at the end of the session but more work done. The particular law that Representative McGloofus, or Senator Clockenspiel took down to Harrisburg may have looked like big league stuff to the residents of their constituency, but put into state wide effect would be as harassing as a gad fly. This session instead of bringing it out onto the floor and wasting time getting it killed, the committees are killing such bills in committee.

Not even Will Rodgers could complain about that. There was a time when every one wanted to get a law on the books. Now every one seems to want to hold down the number of laws to only those that are absolutely necessary.

The legislature was visited by a delegation of New Castle visitors this past week. Judge James A. Chambers was a guest of Governor John S. Fisher on Monday night when the governor gave his usual dinner to the Superior Court.

On Wednesday, School Directors Mrs. Rose M. Nothdurf, Roy W. Hazen and Daniel B. Woolcock, dropped in on their way to Lancaster where they inspected the Opportunity Class work in that city. In Harrisburg they were joined by Charles H. Young who accompanied them to Lancaster. Mrs. H. C. Haver, was also a guest at the Tuesday session.

**ONE IN FAMILY ENOUGH ON JOB**

SHARON, Pa., March 14.—City Councilman J. Fred Thomas has made public his objections to the appointment of several members of one family to positions in the various city departments. According to Thomas, one city employee per family is sufficient. In the past, he said, two and sometimes three appointments have been made in one family, while heads of other households were unemployed.

Lots of high ideals are to be found at the bottom of the ladder.

**PETER'S ADVENTURES IN ANIMAL LAND**

BY HENRY HENRIETTA SMITH VINCENT

**A BIG BLACK CANNIBAL**

"Kerplunk, plunk, plunk!" Father Frog croaked in wrath at the creature who has swallowed his little son before his very eyes.

"You wicked old cannibal! I wish I could pull every feather out of your black head, that I do! How I hate you! And how all my family hate you! And how all the frogs that are now tadpoles will hate you!"

"The ill-will of the divers is yours as long as you live. One of these fine days you are going to pay for this dreadful thing you have done."

"How had my little son harmed you, that you should take his life? Poor, little fellow: you gave him no chance at all!"

"What else Father Frog might have said Peter was never to know, for just at that moment the black head gave a sudden lurch in the direction of the speaker. Snap went the beak and Father Frog, brave as he was, gave a frightened croak and followed the rest of his family into deep water.

"Quack! Quack! Quack!" I haven't had so much fun in a long, long while," cried the cannibal, and chuckled loudly. "I wish we could have sent that fat old fellow making for the pond. I'll bet he was so frightened that his coat cracked wide open. Maybe he will have to swallow it long before he is ready to. I only hope he chokes upon it."

"Why?" cried the boy, so amazed at this last remark that he could keep quiet no longer. The black head jerked violently, and the creature shot out from the shore, every bit as frightened as the frog had been.

"Who spoke there?" quacked he, in a hoarse voice that shook from fear. "Who has dared to spy upon me!"

The boy laughed aloud.

"Good afternoon, Drake!" called Peter. "So for all your cruelty you are not so brave after all. You thought you were too smart to live when you scared Father Frog off his snap at him. While all I did was to speak and you jumped as if a bee had stung you."

"I am glad you did, though. Now I know you are only Mrs. Drake's husband. I might have thought you were a big black cannibal."

"If you had stayed among the

## WAR TIME LETTERS BY COL. LEASURE

Written From Battle-

War

From Papers of Late  
Col. J. S. DuShane

Col. Daniel Leasure  
Picture Property of T. A. Preston,

(Continued From Yesterday)  
Sent to General Creek, Va.,  
June 2, 1864.

DEAR PAPA

I wrote you some time ago but have not had a chance to write this morning thought I would write you again.

We had quite a skirmish last evening just before dark. We are on the advance line and in a single we built a new line of works yesterday or partly did so. A report of which you will find enclosed, and before they were half finished we were ordered to occupy them.

We were apparently left without any orders at all and were being with our back exposed to the enemy waiting orders when the rebel skirmishers advanced on the skirmishers of the First and Third brigades 58th Mass. Heavy Artillery broke and ran pell-mell all through our columns and a regiment that was putting up broke and ran and if our men had not been veterans and cool, such things there would have been a perfect Bull Run on a small scale. But our regiment and 21st had their arms stacked and every man fell into place and awaited orders.

Ask For Orders

Seeing the condition of things I immediately asked Col. Sudberry what the regiment would do remain where they were or fall back to the line we had just left. I asked him three or four times and he did not tell me or give me any direction at all when Col. Dawson came up and said he wanted orders immediately.

Colonel Sudberry told him to return to his old position. As soon as he saw this I immediately went to the other regiment commanders and gave them the same orders, knowing what was to be done and wanted to be done quickly. The troops fell back to their positions in good order. I was sick at heart for a few minutes. Nobody gave any orders and General Crittenden apparently not caring what was done and you know somebody wants to take the responsibility in a case of that kind. Dear Oh! But it seems to me our division is in a terrible state of discipline and organization.

Wants Dependability  
If we were in a division where we knew who to depend on, it would be quite different. No difference how hard a fight you would get into you know there is somebody near to depend on in case you are overpowered and driven back. All I depend on in our entire division is the 21st and our own regiment.

Lieutenant Gillen was killed instantly last night the ball passing through his head. He was on the staff. I was struck in the side but the ball was too far spent to hurt me. I just felt it strike me. Joe is still sick and with Jeff Morris is still in the hospital. Captain McCook of division staff told me we effected a crossing of the Chickahominy last night near White House. I made on our extreme left. This has been a very severe campaign and we all begin to show it. I got a change of clothes last night. Write to me often. Love to all. I hope you are improving.

Your loving son,  
GEORGE.

## When your Children Cry for It

Baby is likely to wake you any night with that sharp cry which means just one thing—colic! Be ready. Keep a bottle of Fletcher's Castoria in the house. A few drops of this pure vegetable, pleasant-tasting preparation comforts a colicky, fretful or feverish baby in a jiffy. In a few moments your anxiety is over and baby's sleeping soundly again. And you've only done what your doctor would advise. He'll tell you Fletcher's Castoria doesn't contain any harmful drug—that it's safe for the youngest infant and effective for children of all ages in cases of constipation, colic, gas, diarrhea and those upsets when you don't know just what is the matter. Avoid imitations. Genuine Castoria bears the Fletcher signature.

## Immigrants Still Coming Into State

Nearly 10,000 Came Into Pennsylvania During Last Six Months

(Special to The News)  
WASHINGTON, D. C., March 14.—The population of Pennsylvania was increased by 916 alien immigrants who entered the state during the month and was decreased by 252 alien emigrants who departed from the state during the period, the department of labor has announced following the completion of an analysis of immigration figures for January. According to the department, 916 alien immigrants entered the country in January who expressed intentions of making Pennsylvania their permanent residence. During the month, 252 alien emigrants who had been residing in the state left the country.

During the last six months of last year a total of 9,140 alien immigrants settled in Pennsylvania while 3,333 emigrant aliens left the state, the labor figures reveal.

## Most Amazing Guarantee Ever Made to Pile Sufferers

Because there are still thousands of men and women needlessly suffering the torture and discomfort of itching, bleeding, burning piles, Peterson of Buffalo asks every druggist to broadcast his remarkable offer.

He says: "Tell every one of your customers that it doesn't make any difference what they have tried before or what look of success they have got from any internal or external remedy for piles—I want them to give Peterson's Ointment a fair trial. Tell them they make this trial at my expense for if the mighty healing power of my ointment doesn't stop itching and burning and dry up piles quicker and better than they ever hoped for, their money will be returned." Generous offer, isn't it?

## Official Rules For Marble Tournament

Continued From Yesterday  
Below are given a list of definitions commonly used in marble tournaments of the kind that is planned for New Castle. This is the last of the series of rules and other information in regard to the competition.

Schoolgirls and schoolboys should watch The News for further notice. Various articles regarding the tournament will appear from time to time prior to the contest.

The definitions

**Definitions**  
The term "marbles" is used to denote the object marbles only, variously known mbs, miggs, commies, hoodies, ducks, etc.

The term "shooter" is used to denote the offensive marble, variously known as the law, moonie, glassie, etc.

"Knuckling down" is the act of resting a knuckle or knuckles on the ground when shooting.

"Shooting" is the act of holding the shooter between the thumb and first finger and releasing it by force of the thumb.

"Hunching" is the act of moving the hand forward across the ring line when shooting from the ring line, or forward from the point at which the shooter came to rest when shooting inside the ring. (Forbidden.)

"Histing" is the act of raising the hand from the ground in shooting. (Forbidden.)

"Roundsters" is the privilege of taking a different position on the ring line for shooting and is permitted only at the start of the game or on a turn after a shooter has passed out of the ring.

"For fair" is playing for sportsmanship only, when marbles are returned at the end of each game to their owners.

### A CLEAR COMPLEXION

Steady cheeks—sparkling eyes—most women can have. Dr. F. M. Edwards for 26 years treated scores of women for liver and bowel ailments. During these years to save his patients a painful and dangerous method of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. Know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system. If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a bilious, irritable feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women and men take Dr. Edwards' Olive Tablets—now and then to keep fit. 15c, 30c and 60c.

## W. D. Goodwill Proves Hero On Blazing Truck

Son Of Mr. And Mrs. James L.  
Goodwill Of First Avenue  
Distinguishes Himself

ELLWOOD CITY, March 14.—Word has been received here of the heroic action of W. D. Goodwill, son of Mr. and Mrs. James Goodwill, of First avenue, who is in the employ of the Pullman company of Akron. He was driving one of the large mail trucks when, in some way it ignited, and Goodwill had presence of mind enough to drive it away from the vicinity of several tanks containing thousands of gallons of oil. Upon further investigation, the firemen state that static electricity was the cause of the ignition. Goodwill was not in the driver's seat when the fire started, as the tank was being loaded at the time. Learning into the truck he drove it into the streets and jumped. Attendees in the station called firemen who responded and extinguished the blaze before it could ignite the other tanks. Loss was estimated at about \$500.

Brown of Rochester; and Mrs. Frank Moltrup of Beaver Falls.

**F. P. A. To Have Large Meeting Here Friday**  
ELLWOOD CITY, March 14.—On Friday evening the local Fraternal Patriotic American lodge No. 182 will entertain the New Castle lodge No. 180 and the Wampum lodge No. 181.

There will be an initiation of candidates and state luminaries will be present as follows: State Vice Council, Elmer E. Thomas, Junior Past State Councilor John Hersenroder of Pittsburgh, L. H. Crick, state council treasurer and a number of members of the active workers association.

Members of the Past Councilors association will put on the degree work and the meeting will conclude with a banquet. The banquet committee comprises Jonathan Jacobs, A. J. Howell, O. J. Lersch, G. S. Mook and Charles A. Jacobs.

**Funeral Services For Mrs. Stillwagon**  
ELLWOOD CITY, March 14.—Many friends paid final respects to the memory of the late Mrs. Margaret Stillwagon, at the services which took place at her late residence on Line avenue Wednesday afternoon at 2:30.

Masses of flowers enhanced and sadness and beauty of the occasion, and the services were conducted by Rev. John King, Dr. Charles Bell and Rev. J. R. Routledge. The pallbearers were members of the American Legion. Interment took place in the Shippery Rock cemetery.

**Welcome Bible Class Meets Wednesday**  
ELLWOOD CITY, March 14.—Members of the Welcome Bible class of the First Presbyterian church, taught by C. A. Martin, enjoyed a luncheon dinner Wednesday evening in the dining room of the church.

At the conclusion of the meal, a brief business session was conducted at which time Fred Jackson was elected to the office of president. The meeting concluded with an informal social period, after which the class attended the prayer service in a body.

**MORAVIA STOP**  
The regular Bible study will be held at the Christian and Missionary Alliance chapel on Bell avenue, Ellwood City on Thursday evening at 8 o'clock. Studies in the Life of Joseph have been taken up and will continue every Thursday evening.

Mrs. Harry Jones of Spring Stop was the guest of Mrs. Frank Young on Monday.

Mr. and Mrs. H. J. Miller and Mrs. James Cravener motored to Pittsburgh on Monday and spent the day. Charles Young and family of Shippery Rock visited at the home of his brother Frank Young on Sunday.

The Harmony Baptist Sunday school held their annual election this week and elected the following officers to serve during the ensuing year: Superintendent, Mansel Hogue; assistant superintendent, Ed Currie; secretary, Ruth Hogue; assistant secretary, Mabel Newton; cradle roll superintendent, Mrs. Francis Reno; treasurer, Ethel Cunningham; pianist, Margaret Long.

Mr. and Mrs. James Cravener are moving this week from Moravia to Hazel Dell. These young people have only been in our community a short time but have made many friends who are sorry to have them leave. Mr. and Mrs. Chester Bump will still occupy the home here.

We regret to report that Cornelia, little daughter of Mr. and Mrs. Walter Smith is not much improved. Little Nadley Natcher is very ill at her home at Baldwin Stop. Irene Sizer of Baldwin Stop is slightly improved.

James Hill is sick at his home near Baldwin.

The Ever Ready club met at the home of Blanch Hogue on Tuesday evening and spent the evening in games and music. Lunch was served by Mrs. Frank Hogue and the evening was thoroughly enjoyed by all present. The guest list included: Mary Segedi, Marie White, Ines Houk, Irene Stewart, Mary Long, Blanch Hogue, Jean Hogue, Samuel Hogue, and Ted Hogue.

Final rehearsals for the variety show to be given under the auspices of the Energy Girls baseball team were held Monday evening at the home of Reid Hogue. The show will be given first at West Simbury on Thursday evening March 14. The boys are sparing no effort to make it a success.

**Taylor-Singer Battle Tonight**  
International News Service  
NEW YORK, March 14.—Bud Taylor, the hairy Hoozler who abdicated as king of the bantamweights when he had to weaken himself to cut his poundage down to 113 and various injuries caused his temporary retirement, now seeks a crack at Andy Roth, for the featherweight title.

In order to attain seniority among the challengers he is undertaking the conquest of Al Singer the most formidable youngsters in the division today at Madison Square Garden tomorrow night.

Taylor will be close to 126 pounds tomorrow afternoon. He is giving weight to a great little fighter who will soon be making a bid for the lightweight crown, but he is willing to accept that handicap to demonstrate that the feat called on him a few weeks ago in his first collision with Singer was a miscarriage of Queensbury justice.

## Mrs. Bruce Hunter Has Pre-Easter Bridge-Luncheon

ELLWOOD CITY, March 14.—Mrs. Bruce Hunter of West Short street entertained a group of friends at a pretty pre-Easter bridge-luncheon Wednesday afternoon at her home. Covers were laid for twenty-four at small tables centered with yellow tulips. A color scheme of yellow and lavender was carried out in subsequent decorations.

The afternoon hours passed quickly in a series of interesting bridge games and resulted in score honors going to Mrs. John Dunn Jr., Mrs. Theodore Markwort and Mrs. Charles French. ## WORLD'S TONIC IS THE GREAT SYSTEMIC TREATMENT FOR CATARRH

Pains in Stomach and Bowels, Weak Kidneys, Torpid Liver and Rheumatic Pains Often Indicate Catarrhal Poison Thruout the System.

World's Tonic Attacks Catarrhal Conditions Wherever They Are Located.

Whoever has catarrh of the head, throat, stomach, bowels, or any other organ, is constantly secreting catarrhal poisons that are being swallowed, contaminating the stomach and bowels, and over-working the kidneys. Likewise, the air that is breathed is constantly passing over the terrible sores that catarrh eats in the air passages, thus carrying the infection into the bronchial tubes and lungs.

There are many authentic cases that show that serious stomach trouble was really a catarrhal condition induced by contamination of the catarrh of the head. Numerous cases are on record where serious lung trouble has been developed from catarrhal infection in the nose and throat.

World's Tonic is the systemic treatment that at once relieves the catarrhal condition of the nose and head, counteracting the poisonous discharge and relieving the congestion. This course stops the source of infection that weakens the stomach and bowels and other organs of elimination.

World's Tonic reaches the seat of the disease and cleans the system of the accumulated poisons, enabling the digestion to furnish a supply of rich blood that vivifies and strengthens all the organs.

World's Tonic is sold at McKee's, Kist Rate Store, Smith's, Eckerd's of New Castle, Inc., Paisley's and all other reliable drug stores.

## HIGH LIGHTS OF HISTORY

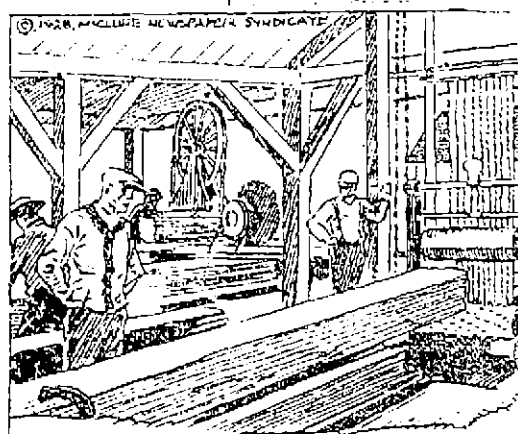

By J. Carroll Mansfield

The Story Of American Industry  
Lumber—(Part Three)—The Sawmill

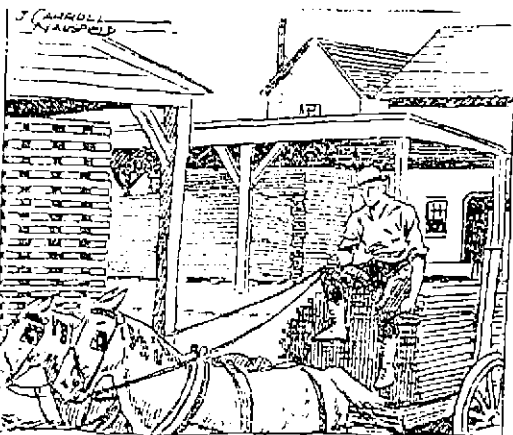

HERE ARE MANY LARGE-SCALE SAWMILLS IN THE UNITED STATES, MOST OF THEM LOCATED ON THE PACIFIC COAST AND IN THE FAR SOUTH. MOST SAWMILLS, HOWEVER, ARE SMALL, AND MANY OF THEM ARE PORTABLE SO THAT THEY CAN BE MOVED CLOSE TO THE LOGGING AREAS.

THE EARLY SAWMILLS WERE VERY SIMPLE AFFAIRS. THE SAW WAS FASTENED AT THE TOP TO A SLIDING BEAM, AND AT THE BOTTOM TO A SPRING POLE IN A PIT. THE BEAM WAS RAISED AND LOWERED BY WATER POWER, GIVING THE SAW AN UP AND DOWN MOTION.

VARIOUS KINDS OF SAWS ARE TO BE FOUND IN THE SAWMILLS OF TODAY. THERE ARE CIRCULAR SAWS, "BAND" SAWS THAT RUN AROUND A PAIR OF WHEELS, AND "GANG" SAWS THAT CUT AN ENTIRE LOG INTO BOARDS AT A SINGLE OPERATION.

AFTER BEING CUT INTO TRADE SIZES, THE LUMBER IS PILED IN THE OPEN OR UNDER SHEDS, AND LEFT TO SEASON. BOARDS ARE PILED IN SUCH A WAY THAT THE AIR CAN REACH THEM FROM ALL SIDES. WHEN "CURED," THE LUMBER IS READY TO BE USED.

# Drawings Made For Y. M. C. A. Tournament

## Nine Quintets Vie For Honors

New Castle To Play Juniata At George Washington Floor Friday

## SECTIONAL TITLE IS AT STAKE HERE

By "BUGS" WALTHER  
Drawings for the places in the sectional senior basketball tournament to be held for the New Castle Y. M. C. A. on Friday and Saturday were made today. Nine "Y" teams and some representatives here to the state floor. The winners of the sectional tournament for the Pennsylvania state Y. M. C. A. championship.

The following officials at the drawings this morning at 9 o'clock: John Ray Preston and Alex Schaefer of New Castle; Paul Taylor of East Liberty and Andy Hastings of Pittsburgh.

The schedule of games:  
Friday afternoon New Castle vs. Juniata at George Washington and Friday night Juniata vs. New Castle at Y. M. C. A. floor at 7 o'clock.

The New Castle team will meet the winner of the New Castle-Juniata game at 5 o'clock Friday night at the Y. M. C. A. floor. The Coaled-Hill team at the Y. M. C. A. floor will start at 7 o'clock Friday evening at the Y. M. C. A. court.

The Sharsburg-Altoona game at the senior high floor starts at 7 o'clock Friday night.

The semi-final games will be played at the Y. M. C. A. floor at 8 and 9 o'clock on Saturday afternoon. The final game will be played at the Y. M. C. A. floor at 8 o'clock Saturday night.

Officials from the Beaver Valley association will handle the majority of the games.  
Kirkler in Charge.  
Walter E. Kirkler, physical director of the "Y," was a busy man today. Kirkler is taking charge of the tournament, the first of its kind ever to be held in New Castle and there are a thousand and one details to be attended to.

Indications are that large crowds will witness all of the tournament games. The semi-final games and final game at the "Y" will have a small non-toll fee attached. The other games at Washington and at senior high and also the first round games at the "Y" are free to the public.

## South Hill Team To Meet Friday

The South Hill baseball team will hold an important meeting at the Shewang-Taylor Joint School building on Friday night at 7:30 o'clock, according to an announcement today from Charles Frenzel.

The South Hill team will represent the area in the Lawrence County League is the belief. Following the meeting a social will be held at which everybody is invited to attend.

Jack Dempsey can have the Polo grounds, New York, to stage fights if he so desires, according to Charles Stenham.

Johnny Farrell and Gene Sarazen will defend their crown today at Adam against Walter Hagen and Leo Diegel. The former pair won from Willie McFarlane and Harry Hampton 6 and 5 while Hagen and Diegel turned back Joe Turnesa and Henry Cluer 2 and 1.

Walter Kirkler stepped to the center of the floor today and reminded that the Seneca floor must start Friday night and continue Saturday evening.

Romeo Pirelli who pulled a tendon in his leg will return to training today and will furnish some speed for George Perotta to step with.

Rogers Hornsby now with the Cubs is still playing "Lone Wolf." They say he doesn't mingle with the rest of the Cubs. Rogers by the way, never has been a tank with baseball players.

Sherwood Magee, National league umpire and champion batsman of the circuit in 1910, passed away last night in Philadelphia. He had pneumonia.

Looks like a barrel of action when Maxie Brown and Nick Polak shake hands Monday night. That hand-shake will be the signal for the fans to hold their seats.

Westminster will play two floor games with Wash & Jeff next year. The Blue and White will go to Washington, February 15 and on February 22 the Presidents will visit New Westminster.

Efforts are being made to match Maxie Brown and Nick Polak in the 100 yard dash. Maxie Brown is the little fellow who wants to take on the fast Philadelphia who is now campaigning in New York.

When Frisco met Davies he had a cold and took a poor shot of the ball before he was in the game. This would not be surprising. This is a record in a way for the game in the last part of the 1920s.

## TRAINING CAMP 'BUNTS'

Baseball Teams in 'Big Show' Prepare For Season

ST. PETERSBURG, March 14.—Gordon Rodeos, Yankee pitching coach from Hollywood held the Boston Braves to one hit in five innings yesterday, the Yankees winning 6 to 2. Sam Ryan, a Boston, George Knicker, a Philadelphia and Sam Lary made two hits.

The ground crew of the spring-training camp will be posted today.

CLEARWATER, Fla., March 14.—Summer White Sox pitcher has again made the official of the franchise and to give the Sox a good start for a \$25,000 salary which is \$25,000 more than he has been offered. The Sox have not yet signed the pitcher, but they are sure to get him without the services of the franchise.

The regulars of the Sox are posted yesterday 4 to 3.

SAN ANTONIO, Tex., March 14.—John McGraw announced that he had been the outfielder obtained from the Phillies will be in sixth place in the lineup of the Giants this season behind Bill Terry.

Fred Fitzsimmons is slated to pitch in today's game with San Antonio, yesterday's contest having been called off because of wet grounds.

PASO ROBLES, Cal., March 14.—It is a bad sign for a team to run in the seventh by the way, the Pirates would have been shut out by the San Francisco Seals in the only exhibition game to be played at the training camp here this season. The game was called off because of rain.

Three star mound-men for the Pirates, Patsy, Grimes and Hill, were unable to stop the Seals.

WINTER HAVEN, Fla., March 14.—The Athletics and Philadelphia clash today in their first game of the year. The second exhibition will take place tomorrow in the stretch-out of the team at Ft. Myers. The game also will be the first chance Nick Borrelli, Milwaukee college star has had to play third base for the A's in a game.

Indications are that there'll be some hot punching when Al Webster and George Perotta cross each other this boxing gloves Monday night at the hotel. Webster's record looks like a good one. Perotta looks like a tough baby. I can tell you.

"He's a tough baby, I can tell you," said Perotta yesterday. "How can you ask the elongated right hand puncher? I fought C. O. Riley in Buffalo. I spent lunch time in the cage, just like Webster and when he started he gave me plenty of trouble. Oh, well, I'm in shape and looks never looked any man yet," smiled George. "That's confidence!"

Daily he romps with Emmett Rocco at the Cuno gymnasium. He will not make an ounce of difficulty making the 160 pounds. He has been training constantly and is ready to romp with the better boys and Webster is considered just a little better than Hybert who kept Perotta going. There is one thing sure—and that is anyone Perotta starts fans always get a fight.

Jack Dempsey can have the Polo grounds, New York, to stage fights if he so desires, according to Charles Stenham.

Johnny Farrell and Gene Sarazen will defend their crown today at Adam against Walter Hagen and Leo Diegel. The former pair won from Willie McFarlane and Harry Hampton 6 and 5 while Hagen and Diegel turned back Joe Turnesa and Henry Cluer 2 and 1.

## Champion Star Finder --Here He Is

CHARLEY BARRETT.

EDITOR'S NOTE: This story about Charley Barrett is doubly interesting to sport fans of New Castle, because The News has obtained, through the Central Press Association, the publishing rights to a fine series by Barrett, called "Baseball Puzzlers."

Exclusive Central Press Dispatch to New Castle News.  
ST. LOUIS, Mo., March 14.—The world's greatest star finder is not a bewhiskered old man with a cane, but a young man with a powerful physique.

He is Charley Barrett, that's who he is. Barrett is said to have discovered more bright stars shining in the black business and to have transferred their brilliance to the major league heavens than any other hunter now operating in organized baseball.

Now with the St. Louis Cardinals, Barrett has been laboring in the bushes for both American and National league clubs since 1909—that's 21 years ago.

In that time he has discovered a host of talent and snipped it north or east, as the case might be.

A few of the greats that Charley saw first are Jeff Tesreau, the mighty man who has since passed from the big time; Mickey O'Neill and Muddy Ruel, two of the best catchers that ever pugged a man at second in the American league; Art Fletcher; Tille Walker; Bill Killefer; Andy High; Jim Bottomley; Heime Mueller; Earl Hamilton; George Foster; Charley Grimm; Edam Vangelder; Ray Blades; Art Reinhart and Andy Reese.

Barrett's job is harder than that of most scouts. He not only has to keep his eyes peeled for talent that might do well in a Cardinal uniform, but he also has to watch out for material that would add lesser clubs in the St. Louis National's wide-spread "chain" club system.

Though he spends most of each summer touring Crumey Corners, Sauerkraut Center and other hamlets of the ball-playing United States, Barrett prefers St. Louis as a place to live.

He used to scout for the St. Louis Browns and when he left that club it was only natural that he would hook up with the Cards.

## New Wilmington High Girls Win

Union Shows Good Team Work But Is Lacking In Shooting

NEW WILMINGTON, Mar. 14.—In a preliminary contest here yesterday evening the girls combine of New Wilmington high school defeated the Union high school sextet 35-13.

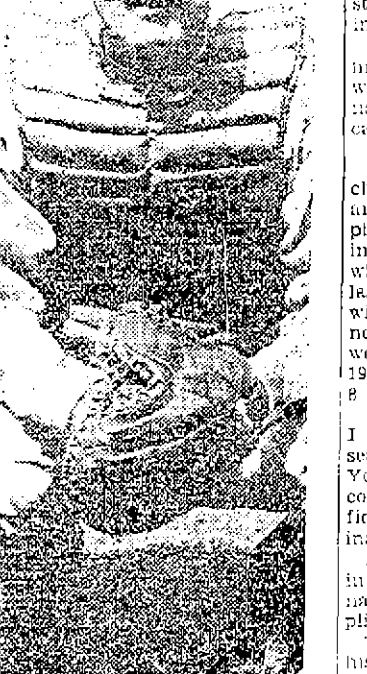

Union showed a remarkable pass-the combine but it lacked strength in the forward position. The first half of the game was hard fought and the score at half time was 16-8 in favor of New Wilmington. Denis Barmbrugh, absent from the lineup in the championship deciding Mr. Jackson game, again appeared in the local lineup.

Edeburn and Heckathorn, New Wilmington guards were the stars of the contest, while Patton and Winter played well for Union. Minner was high point scorer with 29 points to her credit.

The lineup:  
New Wilmington: Patton, Minner, Heckathorn, Edeburn, Winter, Hackathorn, G. G. Snyder, Subbs, New Wilmington, Ronnau, Prokopowicz, Wallace, Scruble, Union: Kennedy.  
Field goals: Minner 14, White 3, Patton 6.  
Foul goals: New Wilmington 1 out of 10; Union 1 out of 12.  
Referee: Helra, Farrell.

## Their Hope

White Sox Look to Aubry in Chase for 1929 Pennant

MARTY AUTRY

Exclusive Central Press Dispatch to New Castle News

CHICAGO, March 14.—Marty Autry, from the land of secrets and legends, is the peg on which the Chicago White Sox are hanging their hopes for the 1929 pennant of the American league.

Recently acquired from the Cleveland Indians, Marty is a trade for Bill Falk. He is now in the training camp of the Comiskey crew at Dallas, Tex.

Iona Blackburn, manager of the Sox, has always wanted Autry. "He's the kind of a 'druggore cowboy' we want on the team," he remarked, as news of the Falk-Autry trade was made public. "He's never had a chance in Cleveland as a catcher because Luke Sewell is a glut for work behind the plate and he was first choice."

"Give him some regular employment and this boy from the far places will develop into one of the star catchers of the American league."

Autry is 25 years old and hails from Bayville, Tex. He was in the lineup with the Sox. This speaker and Roger Hornsby first made their debut with horse-hide spheres in their hands.

## Southworth Expects Cardinals To Be In Battle For Pennant

Cards Are Experienced, Says Southworth; Have Four Good Starting Pitchers

By JAMES L. KILGALLAN  
International News Service Staff Correspondent  
AVON PARK, Fla., Mar. 14.—Billy Southworth, the boyish looking manager of the St. Louis Cardinals, last year's National League pennant winners, realizes he has a hard job cut out for himself but he thinks well of his club's chances of again capturing the flag.

"I've got an experienced, well-balanced ball team and I expect it to deliver," he told International News Service today.

Southworth, a former big league outfielder, managed Rochester to a pennant in the International League last season and was selected to fill the shoes of Bill McKeehin, last year's manager of the Cardinals, who was deposited after the Redbirds lost disastrously to the New York Yankees in the world's series.

Bottomley At First  
Asked to outline how his club probably will line up when the season opens, Southworth said:

"Bottomley, of course, will play first. Either Frank Frisch or Carey Selph will take care of second. Charley Gehrert, who played shortstop for me at Rochester will be at short. That is settled. Either Andy High or Frisch will go up at third."

"Roeber in right, Douthett in center and Haley in left probably will make up our outfield. However, I may play right myself if the situation calls for it, and I have Osaiah in reserve for center and Helm for left."

"I may not get into the game myself at the start because I tore a ligament in my right elbow. But I still think I have Major league ball in me."

"Jimmy Wilson and Earl Smith will most likely do the bulk of catching with Gus Mancuso and Clarence Jonard filling in. That's a pretty good catching staff."

Four Good Pitchers  
"I have four reliable starting pitchers—Shelton, Haines, Alexander and Mitchell. I have four young pitchers who show promise of becoming regulars. They are Bill Halleahan, who won 23 and lost 12 with Houston last year; Fred Frankhouse, who was with the Cards last season but did not work much; Herman Bell who won 21 and lost 8 with Rochester in 1928; and Webster Johnson, who won 9 and lost 4 with the Cards last year."

"This club looks mighty good to me. I know Chicago will be stronger this season, and that Pittsburgh, New York and Cincinnati will be hard competition but I have all the confidence in the world in the Cardinals."

Asked if he did not think he was in a "tough spot" taking over a pennant winning team, Southworth replied:

"Oh no, not exactly. A man makes his own breaks. They thought I had enough ability and initiative to handle this club and I think I can."

Mehlich and Frankovich starred for the Falcons, with Engelson and Perry the best for the New Wilmington team.

The summary:  
Falcons 25, N. Wilmington 19.  
Kolodjeski 10, F. H. Hutchison 10, Mehlich 10, Engelson 10, Pashenny 10, C. H. Perry 10, Frankowski 10, G. H. Sabote, Frankovich 10, C. H. Sabote, Field goals: Mehlich 6, Frankovich 3, Kolodjeski, Zuhowski, Perry 4, Engelson 3, Hutchison 2.

Fouls: Falcons, 3 out of 4; Indies, 1 out of 5.  
Time: Kurdupski.  
Score: Tucker.  
Referee: O. Gonda.

Former National League Star, And Of Recent Years Umpire, Is Pneumonia Victim

PHILADELPHIA, March 14.—Sherwood Magee, National league umpire and once the batting champion of the league is dead at the age of 44. He died of pneumonia last night.

Magee was a leading batsman with the Philadelphia Phillies and Cincinnati Reds. He won the championship of 1910 with an average of .331. He was the league's leading home run hitter in 1914 with ten home runs.

After finishing his career as a player in 1919, the veteran outfielder played with Columbus, Minneapolis, Milwaukee and Baltimore. In 1927 the picturesque "Sherry" was had been quite an umpire-hitter in his day because an arbiter in the New York-Pennsylvania league. He was efficient at calling balls and strikes and he was made a national league umpire last year.

Magee was born in Charleston, Pa.

Presbyterians To Form Ball Team

The Central Presbyterian baseball team at the call of Manager Earl VanPelt will resume tonight at the Y. M. C. A. for their initial meeting of the season. The meeting will start at 8 o'clock.

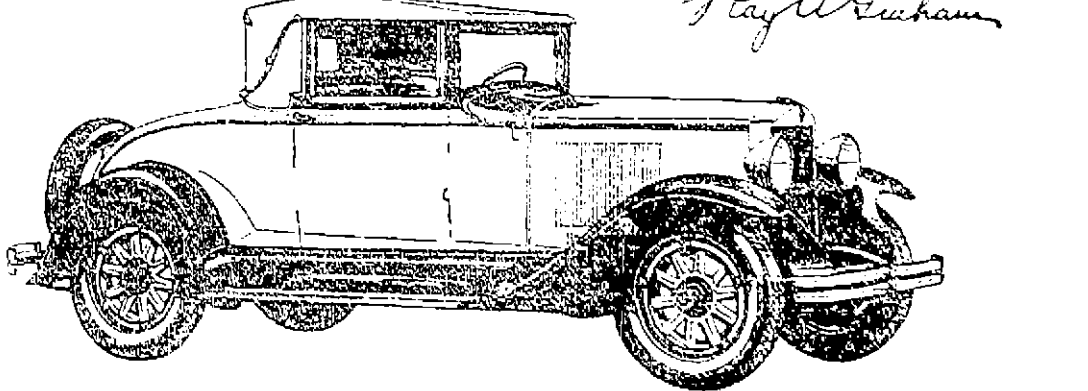

It is asked that all of the Central Presbyterian players of last year be present, and also several of the newcomers who desire to try out for the team.

## The Demand Is Steadily Increasing

Public approval of the new sixes and eights made possible a 214% increase in January and February shipments over the same months in 1928—when Graham-Paige enjoyed a first year sales volume which set a new all-time record for the industry. This expression of confidence is sincerely appreciated.

## Pairings Made For Big Motor Tennis Tourney

BY DAVIS J. WALSH  
Sports Editor International News Service  
NEW YORK, March 14.—Down at the absolute bottom of today's list of pairings for the national indoor singles championships, starting on Saturday, is found the name, J. Borotra. Just one entry among 74. And maybe I don't see why the matter should be mentioned, either, except that this is the name that will be up at the top when they play off late next week. It means, they will tell you, that France has sent another ambassador to the Court of St. Louis, patron saint of international tennis. It actually means that France, having cut off our gas and water, has sent a man around to take the place.

The indoor tennis championship may not amount to much, but when a dime is your total fortune, a dollar is affluence. In recent years France has successfully taken over our dominance of the national singles on turf, the Davis Cup series and the Wimbledon all-comers' event. For ten years a Frenchman has held our singles title outdoors and a French team has kept the Davis Cup abroad, besides driving us right out of the Wimbledon final altogether. In the midst of all this excitement it must have forgotten the indoor championships last year, for it failed to send an ambassador and somehow we managed to beat up bravely without him.

Talent Revealed  
However, this indoor event several years back that Borotra and Lacoste first discovered that they could push William Tilden around, ad. lib. and with marked freedom, the result being that each won the title in successive years. One of them is back again now and this time he finds American tennis with its hair all out of curl.

Tilden seems to be out of circulation. Van Ryn, who is William Tilden, is not entered in the event. Neither Lott nor Hennessey go for the indoor game and William "Junior" Cohn is abroad. This leaves Francis T. Hunter as the lone American capable of really taking issue with the invader, and Hunter, never quite at ease on indoor courts, has been playing a lot of tournament tennis outdoors in Florida. This would seem to give Hunter hardly a white man's chance, unless Horatia happens to be off. Hunter will beat any man anywhere who doesn't happen to be distinctly "on." The French seldom go to bat unless they are "on," however.

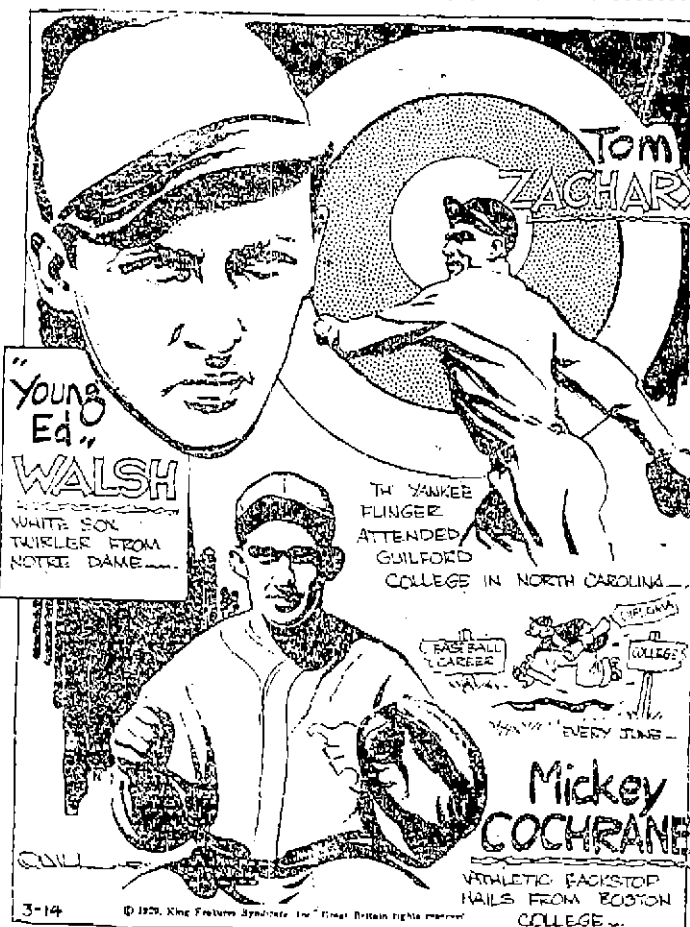

Julius Seligson, the intercollegiate champion, is a bright young man with a future. But he hasn't much "present," as far as big-time tennis is concerned. He is in the upper half of the draw with Hunter, which means that only one of them can get as far as Borotra, anyhow. The latter not only has the drop on his field, he got a break in the draw. He has four "seeded" men in the lower half.

## Among The College Element

By QUIN HALL  
Beyond the Alps lies Italy—beyond graduation and the grabbing of the diploma lies—what?

It's been a long time—in fact away back in the '70s—since the first collegian grabbed his diploma and raced from the old graduation hall looking for a job as a baseball player. Jimmy Ryan, the famous fielder for Hoyt Cross, back in those early days of the game, seems to have the distinction of being the first college product to take up baseball for a living. Eddie Collins, from Columbia, and Connie Mack, on the bench and Oscar Orwall, one of the young sensations at Philadelphia, hail from Luther College at Decorah, Iowa.

Young Ed Walsh of the Chicago White Sox is one of those who took up baseball in a professional way after his graduation from Notre Dame last year. In view of the fact that young Ed is a son of the famous Ed, it was natural to expect this move on the part of the boy. This kid has made good, which often isn't the case when a youngster has an illustrious father to follow. The Pale Horse have other collegians in Bill Falk, U. of Texas, and Ted Lyons of Baylor University.

Frankie Frish, the Fordham Flash, is probably one of the most famous of the collegians who have made good in the big leagues. Of last year's crop of college men the outstanding star was possibly Larry Eisenhardt, with the St. Louis Browns. Larry was an all-American center at St. Mary's in California and made good with a bang in fast company.

There are so many collegians in the big leagues that it would take columns to recite pieces about all of them and every June they are flocking to the ball yards in greater numbers.

## Class B Championship Won By Wilmington

(Special To The News)  
NEW WILMINGTON, March 14.—Burrying Union High school under a 57-19 score in a game played here last night, the New Wilmington secondary school basketball team clinched their claim to the county class B basketball championship.

The college town passers grabbed the lead at the beginning of the game and consistently kept 10 points ahead of the Union quintet until the final period, when they held the visitors scoreless as they piled up a total of 63 points.

Gerald "Newt" Newton, flashy New Wilmington forward, was the star of the contest, in which he accounted for 15 of his team's 25 field goals. Hutchinson played a fine floor game and Captain Patterson played his usual steady game for the Olsen-coached team.

Lannigan was the chief threat for the New Castle suburban combine and Scheik played a good game, scoring heavily on free throws from the foul line.

Play by Play  
Immediately at the start of the game, Union failed to take an early advantage when Augustine missed a free throw. After the teams played even for a few minutes, McConnell, home team guard, made the first point of the contest via the foul route. Following this Patterson dropped in a long shot and Newton started his scoring by caging three successive two-pointers.

Following a time-out, Union still failed to break into the scoring column, while Patterson and Newton again registered for the New Wilmington stop. Just before the end of the first quarter, Lannigan, Union forward, slipped in a two-point shot from under the basket, and the end of the period saw the college town team on the long end of a 16-2 score.

Union came back strong in the second quarter and put up the best exhibition of the game by checking the point scoring attack of the college town passers. Scheik made a pretty basket from the side and Lannigan boosted the score of the visiting team by another basket, and Hutchinson began scoring with a pretty field goal. Scheik threw in three fouls to further boost the score of his team, but the real play of the Union team was defense, which held the New Wilmington team to four points in this quarter, while Union scored seven. At the end of the half New Wilmington led, 20-9.

But the best show of form on the part of the Union team ended with the start of the third period as

## Floor Jottings

The C. A. C's will meet the Crystal Five tonight at the Mahoningtown school floor. The C. A. C's will try to avenge a defeat suffered at the hands of the Crystals earlier in the year. In the preliminary game the Elm street Y. W. C. A. team will meet the College Six of senior high. The first game will start at 7 o'clock.

## County League Closes Friday

Class B Schools End Season's  
League With Games Played  
Friday Evening

Lawrence county class B basketball will come to a close Friday evening when the various league teams will clash in their final tilt. It will mark the close of a fourteen game league which has been played off throughout the past season.

According to the official schedule, as formed by the county athletic committee, Plaingrove will meet Bessemer at Bessemer; Wilmington and Shenango will clash on the college town court; East Brook will meet Union at East Brook; while Mt. Jackson will meet Eden Valley on the North Beaver floor.

The league has dwindled down to such an extent that little interest is found in this last night. There is a possible chance that the Mt. Jackson lassies might lose to Eden and thus tie up the girls side of the league, but this is not expected.

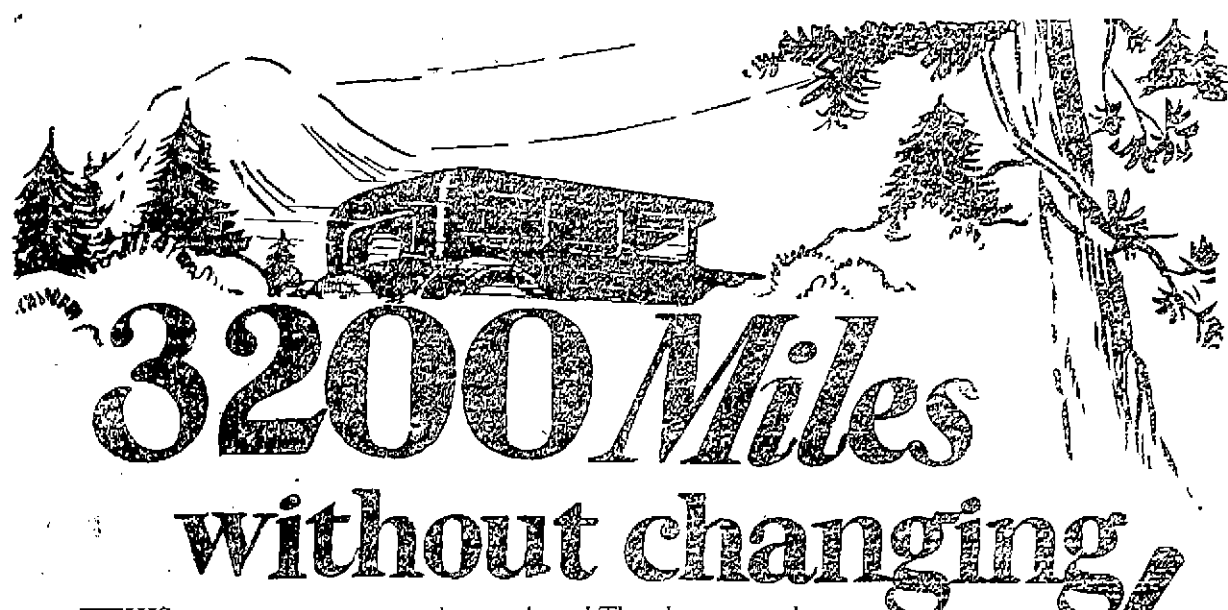

New Wilmington varsity has clinched the cup for the year and could stand a defeat from Shenango if such a thing might possibly happen. "The best game promises to be the East Brook-Union tilt. Both teams are fairly well matched and it will be a good exhibition of ball.

The schedule listed above is as listed on the official schedule. There are probably some changes by the different schools by agreement and these should be noted by the fans.

## Bowlers Clash At Y This Evening

The Mahoning M. E. church league championship bowlers will meet the Croton M. E. men, third in the league, in the first three of the nine challenge games tonight at 7:30 in the Y. M. C.

The Mahoning team, winners of the league, were challenged by the Croton M. E. bowlers to a series of nine games. The Mahoning men accepted the challenge and three of the games will be played off each night for three evenings.

THIS represents a car owner's experience! The above record was not the result of a planned test or trial run. The driver who made it is a regular user of Sterling Gas and Oil. When he began an extended motor trip through the west several months ago, he filled the crank case of his new Packard, which was just nicely broken in, with Sterling Motor Oil at his regular local station.

There was no thought of achieving a record at the beginning of this trip, but during the long run of 3200 miles and over constant inspection showed that it was unnecessary to change oil. When he returned home and the crank case was again drained he wanted to see just what loss of lubrication the oil that had given him so much service had suffered.

It was carefully drained off and sent to our laboratory. Chemists removed the dilution that was present and the impurities that the trip had added, and tested it. We found out that even after 3200 odd miles of actual speedometer mileage the Sterling Motor Oil drained from the crank case had only lost 5% of its original viscosity. In other words the oil that was left still retained 95% of its ability to give safe, constant lubrication.

STERLING Motor Oil does not wear out! Were it not for loose rings, dirt particles that get in the crank case, dilution from gasoline, loss of volume due to mechanical looseness and many other outside conditions, Sterling Motor Oil would repeatedly exceed this record of 3200 miles. Fill the crank case of an engine that is mechanically perfect and tight—and will stay that way—and you can't wear out Sterling Motor Oil.

Sterling Motor Oil is sold with the recommendation of 1000 miles before again draining the crank case. We do this because we know that under the most destructive motor conditions, the maximum of crank case dilution and the worst that could possibly be wrong with an engine and still run—Sterling Motor Oil will

give safe, efficient lubrication for every mile of it. But 1000 miles is the minimum. Never yet has the maximum been discovered in Sterling Motor Oil. Before the oil itself breaks down, mechanical conditions have destroyed its volume, impurities have become mixed with it and new oil must be added.

You can always get 1000 miles! 3200 miles is not the greatest record that Sterling has made. It is merely one specific case that has come to our attention. You, and the thousands of other drivers with well tuned cars, can get many sweet, smooth, snappy miles beyond the 1000 mile recommendation from this supreme oil.

## Buell Is New Exalted Ruler

Local B. P. O. Elks Choose Officers At Meeting Last Night

Clark H. Buell was elected as exalted ruler of the New Castle lodge, No. 69, B. P. O. Elks, for the ensuing year, when members of the lodge held their customary election of officers at the Elks Home Wednesday evening. Buell will succeed George W. Thomas, who served in this capacity during the past year.

The election also resulted in the following other officers being filled: esteemed leading knight, Edward F. Ryan; esteemed second knight, Roger H. Updegraff; esteemed lecturer, knight, John D. Hise; secretary, William P. McHugh; treasurer, Jacob Casel; trustee for three years, Charles H. Van Fleet; and William J. McNeil, delegate to the grand lodge, George W. Thomas, and alternate delegate, C. W. Herman Hess.

On April 10 installation ceremonies will be held at a regular meeting at the home.

## New Castle Elks Going To Franklin

Will Attend 40th Anniversary Exercises Of Franklin Lodge On March 21

Quite a large number of Elks from New Castle and other section of Western Pennsylvania are planning to attend the 40th anniversary of the Franklin lodge No. 110, to be held in the Masonic Temple at Franklin on Thursday, March 21.

Members of the New Castle lodge are very much interested in the coming anniversary inasmuch as several of the local members were present when the Franklin lodge was established. Among those were Ralph M. Campbell and Herman G. Miller.

Only three of the charter members of the Franklin lodge are now living. Secretary Bensinger, James Forland and Mr. Buchanan.

Grand Exalted Ruler Murray will be the guest of honor at the anniversary. He will be the principal speaker at the dinner. John K. Tener, past exalted ruler and ex-governor of the State of Pennsylvania will be another guest. He will also speak on that occasion.

## Mrs. Childs Speaker At City Mission

Rev. Mrs. Floyd A. Childs will bring the gospel message this evening to the City Rescue Mission, 17 S. Mercer street. Her subject will be "God or Baal, Which?" Mrs. Childs is a very able speaker and will have a helpful message for those who attend.

Special music will also be a feature of this evening's service. The Mooney sisters of the Third U. P. church will render several duets. They have sung several times at the mission and their singing is always much appreciated. Service beginning at 7:30 each evening.

A nice crowd was present at the service last night, when Mrs. Childs preached from the subject "How Much Owest Thou Unto My Lord." Interest has been growing from evening to evening in these services and a good service is looked forward to this evening.

## Acting Mayor Burns Holds Police Court

Acting Mayor W. T. Burns presided at a short session of police court today. There were but two cases scheduled to appear. In one instance, a man, who was drunk and in whose possession Officers Thomas and McMullen found a quart of wine, as he was about to get into a taxicab, put up a forfeit of \$10 for his appearance at court this morning. He did not appear and his money was declared forfeited.

The other case was that of Ray Stanton, colored, who broke a window in and threw the furniture of his parents home, 20 East Division street about the place, until Officers Thompson and Longstreth appeared on the scene when he was arrested. He paid a fine of \$5.

## Powerful, Penetrating Antiseptic Oil Heals Eczema and Other Skin Diseases

Must Give Results in 7 Days or Money Back, Says New Castle Drug Co., Eckerd's of New Castle, Inc., or McKee's Kut Rate Store.

Make up your mind today that you are going to give your skin a real chance to get well.

You've probably been like a lot of other people convinced that the only thing to use was an ointment or salve (some of them are very good), but in the big majority of cases these sticky salves simply clog the pores and the condition primarily remains the same.

Go to New Castle Drug Co., Eckerd's of New Castle, Inc., McKee's Kut Rate Store or any other good drug store today and get an original bottle of Moore's Emerald Oil.

The very first application will give you relief and a few short treatments will thoroughly convince you that by sticking faithfully to it for a short time, your skin troubles will be a thing of the past.

Don't expect a single bottle to do it all at once but one bottle we know will show you beyond all question that you have at last discovered the way to restore your skin to perfect health.

Remember that Moore's Emerald Oil is a clean, powerful, penetrating Antiseptic Oil that does not stain or leave a greasy residue and that it must give complete satisfaction or your money cheerfully refunded.

Several New Members Join Organization At Meeting Last Night

Weekly meeting and shoot of the Service Men's Rifle club held last night at the Armory on Neshannock avenue, was very largely attended and three new members were admitted to membership of the organization which is sponsored by Perry S. Gaston Post No. 343, American Legion.

The shooting was held at the seventy-five foot indoor range of the armory and some of the participants made excellent marks.

The result of the shoot, out of a possible mark of fifty, follows:—E. L. Schwab 47, W. C. Logan 47, J. A. Harmer 45, Frank Woods 45, DeGraff Robinson 45, B. L. Hall 44, A. Caruthers 37, N. P. Nelson 20, W. R. Allen 35, McDermott 35. The last three named were contestants for the first time and their marksmanship is considered very good.

## How A Little Daily Dose of Kruschen Makes You Lose Unhealthy Fat!

Yet Gives You Splendid Health With Added Energy and Vitality

It sounds easy, doesn't it?—well, it is the easiest, the safest and surest way to lose fat you could possibly desire!

KRUSCHEN SALTS—a perfect combination of the six mineral salts your body must have every day to function properly—purify your blood of harmful acids, aid the kidneys and bowels to throw off waste material (the continual formation of which is probably the cause of your fat). They are carried by your blood stream to give stimulus, life and new activity to every nerve, gland and body organ.

In this modern age of living, it's impossible to get these salts from the fancy foods you eat—but don't worry just as long as you have KRUSCHEN SALTS.

Little by little that ugly fat goes—slowly, yes—but surely and you feel so wonderfully healthy, ambitious and energetic—more so than ever before in your life!

Get an 85c bottle of KRUSCHEN SALTS at Eckerd's of New Castle, Inc., or any drugstore (lasts 2 months). If even this first bottle doesn't convince you this is the best, surest and most pleasant way to lose fat—if your health isn't marvellously improved—your money gladly returned!
